

Viper HD Spotting Scope - VORTEX OPTICS Viper HD 65mm Spotting Scope - straight

[Optics & Mounting](#) > [Spotting Scopes & Accessories](#) > [Spotting Scopes](#)

A high end spotter without the high end price, the Vortex Viper HD 15-45x65 Spotting Scope lets you visually pick apart the landscape! Versatile magnification gives the Viper a wide field-of-view at lower power, with the capability to zoom in for close up examination of distant targets.

The Viper HD 15-45x65's dual controls provide hair's-breadth, precise focus with both coarse and fine focus adjustments to pick out details. High density, extra-low dispersion glass combined with XR anti-reflective coatings generate bright, true color images with crisp clarity at all magnifications, even in low light.

Built for durability, the Vortex Viper HD 15-45x65 Spotting Scope has a magnesium alloy body with a protective rubber armor, plus the argon filled, O-ring sealed tube ensures water and fogproof performance in all weather.

Porro prism offers maximum image quality and performance in a traditional design

ArmorTek protective coating on all surface-to-air lenses

Includes built in sunshade, eyepiece and case

VORTEX OPTICS Viper HD Spotting Scope Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Viper HD 1545x65 Spotting Scope. This product is designed for outdoor enthusiasts and professionals who require high-quality optics for observing distant landscapes. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the spotting scope is used only for its intended purpose.
- Always supervise children when using the spotting scope.
- Be aware of your surroundings and avoid pointing the scope at people or animals.
- Do not use the spotting scope in extreme weather conditions that may damage the device.
- Regularly inspect the spotting scope for any signs of damage or wear.
- If the spotting scope is damaged, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Magnification Caution:** The Viper HD offers high magnification capabilities. Be cautious when zooming in on distant objects to avoid losing balance or falling.
- **Optical Safety:** Avoid looking directly at the sun or other intense light sources through the spotting scope, as this can cause serious eye damage.
- **Handling:** Always hold the spotting scope securely and avoid dropping it. The magnesium alloy body is durable, but impacts can cause damage.
- **Water and Fog Resistance:** While the scope is designed to be water and fogproof, do not immerse it in water. Wipe off any moisture with a soft cloth.
- **Storage:** When not in use, store the spotting scope in a dry, cool place. Use the provided case for protection during transport.

Instructions for Installation and Usage

1. Unpacking the Spotting Scope:

- Carefully remove the spotting scope from its packaging.
- Check for any visible damage or missing parts.

2. Attaching the Eyepiece:

- If not already attached, align the eyepiece with the scope and twist it into place until secure.

3. Using the Spotting Scope:

- Place the spotting scope on a stable surface or use a tripod for better stability.
- Adjust the zoom level by rotating the magnification ring to your desired level (15x to 45x).
- Use the dual focus controls to achieve a clear image:
 - Coarse focus for general adjustments.
 - Fine focus for precise detail.

4. Adjusting the Sunshade:

- If using in bright conditions, extend the builtin sunshade to reduce glare.

5. Cleaning the Lenses:

- Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials.

Disposal Instructions

- Dispose of the spotting scope responsibly at the end of its life cycle.
- Do not dispose of the spotting scope with regular household waste.
- Check local regulations for proper disposal methods for electronic devices and hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the manufacturer's customer service. Ensure you have the product information available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Viper HD Spotting Scope. Thank you for your attention to these important guidelines.
