# Safety Instruction Guide for VORTEX OPTICS Razor HD Wide Angle Eyepiece 6585mm

## Introduction

Thank you for choosing the VORTEX OPTICS Razor HD Wide Angle Eyepiece. This guide provides important safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before using the eyepiece.

## General Safety Guidelines

- **Product Safety:** Always ensure the eyepiece is used according to the manufacturer's instructions to avoid any safety risks.
- **Enhanced Recalls:** Be aware of product recalls. Check regularly for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure the seller complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information.
- **Rapid Alerts:** Stay informed about potential safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Compatibility:** This eyepiece is designed specifically for use with 65mm and 85mm Razor HD spotting scopes. Do not use with 50mm Razor HD models.
- **Optical Hazards:** Avoid looking directly at the sun or other intense light sources through the eyepiece to prevent eye damage.
- **Moisture Protection:** The eyepiece is waterproof and fogproof. However, avoid exposing it to extreme conditions that may compromise its integrity.
- **Handling:** Handle the eyepiece with care to avoid dropping or damaging it, which may affect performance.
- **Cleaning:** Use only a soft, dry cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your Razor HD spotting scope is securely mounted.
- Align the eyepiece with the eyepiece holder of the spotting scope.
- Gently twist the eyepiece into place until it is securely attached. Do not force it.

### 2. Usage:

- Adjust your position to ensure comfortable viewing through the eyepiece.
- For optimal performance, use the eyepiece at the recommended zoom levels:
  - 18x zoom with the 65mm objective.
  - 23x zoom with the 85mm objective.
- Maintain a distance of at least 31mm from the eyepiece to your eye for comfortable viewing.

## **Disposal Instructions**

- When disposing of the eyepiece, follow local regulations for electronic waste.
- Do not dispose of the eyepiece in regular household waste.
- If necessary, contact local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the VORTEX OPTICS Razor HD Wide Angle Eyepiece, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety instructions. Enjoy your VORTEX OPTICS Razor HD Wide Angle Eyepiece responsibly!
