Vortex Optics QR Plate High Country Safety Instruction Guide

Introduction

Thank you for choosing the Vortex Optics QR Plate High Country. This product is designed to enhance your experience with the Vortex High Country Tripod by allowing for quick and easy attachment of various optical devices. To ensure your safety and the longevity of your product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Always ensure that the QR Plate is used in accordance with the manufacturer's instructions to avoid accidents or damage.
- **Enhanced Recalls:** Stay informed about any product recalls. You can check the EU's Safety Gate platform for updates.
- **Online Shopping:** When purchasing online, ensure that you are buying from a reputable seller who complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check for updates on product safety from the Safety Gate system.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the QR Plate is only used with the Vortex High Country Tripod. It is not compatible with other tripods.
- **Weight Limit:** Do not exceed the weight limit specified for the tripod when using the QR Plate.
- **Secure Attachment:** Always ensure that the optical device is securely attached to the QR Plate before use.
- **Avoid Drops:** Handle the QR Plate and attached optical devices with care to avoid dropping them.
- **Inspect Regularly:** Regularly check the QR Plate for signs of wear or damage before each use.
- **Use in Safe Conditions:** Avoid using the QR Plate in extreme weather conditions that may compromise its integrity.

Instructions for Installation and Usage

1. Installation of QR Plate:

- Ensure that the tripod is on a stable surface.
- Align the QR Plate with the attachment point on the tripod.
- Insert the 1/4"x20 optic attachment screw into the corresponding hole on the QR Plate.
- Tighten the screw securely but do not overtighten to avoid damage.

2. Attaching Optical Devices:

- Align the optical device with the QR Plate.
- Insert the attachment screw into the device's mounting point.
- Tighten the screw securely to ensure a firm connection.

3. Removing Optical Devices:

- Loosen the attachment screw by turning it counterclockwise.

- Carefully lift the optical device off the QR Plate.

4. **Storing the QR Plate:**

- Store the QR Plate in a cool, dry place when not in use.
- Avoid exposure to extreme temperatures or humidity.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the QR Plate and any packaging materials in accordance with local regulations.
- **Recycling:** Check if the materials can be recycled. Follow local guidelines for recycling plastics and packaging.

Contact Information for Further Support

For any questions or concerns regarding the Vortex Optics QR Plate High Country, please refer to the contact information provided by your retailer or the manufacturer. Always ensure that any inquiries about safety or product performance are directed to the appropriate channels.

Thank you for your attention to these safety instructions. Enjoy your Vortex Optics QR Plate High Country and the enhanced versatility it brings to your optical setup!
