

# IceVents Classic Gun/Duty Belt Pads - 3-pack - QORE PERFORMANCE, INC. IceVents Classic Gun/Duty Belt Pads - Coyote - 3-pack

[Emergency & Survival Gear](#) > [Water & Hydration](#) > [Water Accessories](#)

Weighing the same as a half slice of bread, IceVents Classic are the most advanced padding ever created. The hexagonal honeycomb matrix disperses loads up to 5,000 pounds through a network of cellular walls that also provide omni-directional venting. IceVents Classic' hydrophobic, anti-microbial construction is nearly indestructible - built to take the punishment of the most demanding user in the least forgiving environments. No padding on the market even comes close. Your hips will thank you.

## #StayFrosty

### Includes:

- 3x IceVents Classic Universal Ventilated Duty Belt Pads (coyote)
- 48" roll of Back2Back Hook/Loop Tape (coyote)

### Specs:

#### Versatile + Compatible

IceVents Classic 3-Pack can be used for Duty Belts, Tool Belts, or countless other industrial or tactical equipment to deliver unrivaled end-user comfort. Their modular and flexible form makes it simple to adapt IceVents Classic to support your application.

#### Water Resistant + Anti-Microbial

IceVents Classic unique channel ventilation creates an effective microclimate for long-term comfort and enhanced endurance.

#### High Tech Materials

IceVents Classic feature exclusive and proprietary Supracor Stimulite impact-absorbing hexagonal honeycomb thermoplastic elastomer (TPE) technology. Stimulite is used and proven in the F/A-18 Hornet, V-22 Osprey, 787 Dreamliner, 747-8 Intercontinental and leading medical products.

#### Simple Installation

Hook and Loop accessories enable simple, custom installation.

#### Increased Load Bearing Capacity

Loads are absorbed and dispersed evenly throughout the honeycomb matrix of IceVents Classic. Because the cells are interconnected, when one cell buckles from impact, the walls of the adjacent cells also buckle to absorb the force, similar to a ripple effect. The fusion-bonded honeycomb in Stimulite absorbs shock in this manner and also has phenomenal load-bearing and load-balancing capability as a result of its elastomeric composition.

Size: 10.25"x3.125"x0.25"

# Safety Instruction Guide for QORE PERFORMANCE, INC. IceVents Classic Gun/Duty Belt Pads

## Introduction

Thank you for choosing the QORE PERFORMANCE, INC. IceVents Classic Gun/Duty Belt Pads. This guide provides essential safety instructions and usage information to ensure your safety and satisfaction with the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the IceVents Classic pads for any signs of wear or damage.
- Keep the product out of reach of children to prevent accidents or misuse.
- If you notice any defects or irregularities, discontinue use immediately and report the issue.
- Always follow local regulations and guidelines regarding the use of tactical and industrial equipment.

## Specific Safety Precautions for Use

- **Load Capacity:** Do not exceed the maximum load capacity of 5,000 pounds as specified.
- **Ventilation:** Ensure that the pads are properly ventilated during use to maintain comfort and prevent overheating.
- **Environmental Conditions:** Avoid using the pads in extreme environmental conditions that may compromise their integrity.
- **Installation:** Follow the installation instructions carefully to ensure the pads are securely attached to your duty belt or equipment.
- **Impact Awareness:** Be aware that the pads are designed to absorb shock; however, they do not eliminate all risks associated with impacts.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the IceVents Classic pads from the packaging.
- Ensure the back of the pads is clean and free from debris.
- Use the included Back2Back Hook/Loop Tape for secure attachment.
- Align the pads with your duty belt or equipment and press firmly to ensure adhesion.
- Check that the pads are securely attached before use.

### 2. Usage:

- Wear the duty belt with the IceVents Classic pads positioned against your body for maximum comfort.
- Adjust the belt to ensure a snug fit without being overly tight.
- During use, periodically check the pads for any signs of wear or detachment.
- If discomfort occurs, remove the belt and inspect the pads for proper installation.

## Disposal Instructions

- Dispose of the IceVents Classic pads in accordance with local regulations for waste disposal.
- Do not incinerate or expose the pads to extreme heat.

- If the pads are damaged beyond repair, consider recycling options for the materials if available.

## **Contact Information for Further Support**

For any inquiries regarding the product or safety concerns, please refer to the contact information provided by the retailer or manufacturer. It is essential to have access to support for any questions or issues that may arise.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your QORE PERFORMANCE, INC. IceVents Classic Gun/Duty Belt Pads. Stay safe and enjoy the comfort and performance of your new product.
