Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The 3005 series is optimized for the transportation by airplane.

Safety Instruction Guide for Explorer Cases 3005 Orange

Introduction

Thank you for choosing the Explorer Cases 3005 Orange. This case is designed to provide optimal protection for your valuable equipment. This guide outlines essential safety instructions, precautions, and proper usage to ensure your safety and the longevity of the product. Please read this guide carefully before using the case.

General Safety Guidelines

- Ensure that the case is used only for its intended purpose as a weapon case.
- Always inspect the case for any visible damage before use. Do not use if damaged.
- Keep the case out of reach of children and vulnerable individuals to prevent accidental injury.
- Be aware of the weight of the case when fully loaded; ensure you can lift and carry it safely.
- Follow all local laws and regulations regarding the transportation of weapons and equipment.

Specific Safety Precautions for Use

- **Handling:**
 - Always use the large front handle or shoulder straps for transportation.
 - Ensure the case is securely closed before lifting or moving.
- **Storage:**
 - Store the case in a dry, cool place away from direct sunlight to prevent material degradation.
 - Avoid placing heavy objects on top of the case when stored.
- **Water Resistance:**
 - While the case is waterresistant due to the Oring gasket, do not submerge it in water.
 - Regularly check the gasket for wear and tear to maintain water resistance.
- **Air Pressure:**
 - Always use the manual air pressure release valve when closing the case at altitude to prevent pressure buildup.
- **Locking Mechanism:**
 - Ensure that the locking latches are engaged when the case is not in use to secure your equipment.
- **Foam Inlay:**
 - The PreCube Foam inlay is designed to protect your equipment. Ensure that items are properly seated in the foam cutouts to prevent movement during transport.

Instructions for Installation and Usage

1. Unpacking:

- Carefully unpack the case and remove all packaging materials.

- Inspect the case for any signs of damage.

2. Setting Up:

- Open the case by releasing the locking latches.
- If using internal brackets or mounting rings, install them according to your specific needs.

3. Loading Equipment:

- Place your equipment into the foam cutouts to ensure a snug fit.
- Secure any loose items to prevent shifting during transport.

4. Closing the Case:

- Close the lid and ensure that the O-ring gasket is seated properly.
- Engage the locking latches to secure the case.

5. Transporting:

- Use the handle or shoulder straps to carry the case.
- Ensure the case is balanced and secure during transport.

Disposal Instructions

- Dispose of the case in accordance with local regulations regarding plastic waste.
- If the case is damaged beyond repair, consider recycling the polypropylene material where possible.
- Do not dispose of the case in regular household waste.

Contact Information for Further Support

For any safety inquiries, product support, or additional information, please refer to the official Explorer Cases website or contact your local distributor.

Thank you for your attention to these safety instructions. With proper care and usage, your Explorer Cases 3005 Orange will provide reliable protection for your equipment.
