Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The 3005 series is optimized for the transportation by airplane.

Safety Instruction Guide for the 3005 Orange Explorer Cases

Introduction

Thank you for choosing the 3005 Orange Explorer Cases. This guide provides important safety instructions and guidelines to ensure the safe use of your case. Please read this document carefully to understand how to use and maintain your product effectively.

General Safety Guidelines

- Always inspect the case for any visible damage before use. Do not use if damaged.
- Ensure that the case is closed and locked when not in use to prevent accidental opening.
- Keep the case out of reach of children and vulnerable individuals to avoid injury.
- Do not exceed the weight limit of the case (1.10 kg) when transporting items.
- Use the case only for its intended purpose. Misuse may lead to damage or injury.
- Regularly check the locking latches and hinges to ensure they are functioning correctly.

Specific Safety Precautions for Use

- **Corrosion Proof Metal Hinges:** Handle the case gently to avoid damaging the hinges. Ensure the lid stay feature is engaged when the case is open.
- **Water Resistance:** While the case is waterresistant, avoid submerging it in water. Ensure the Oring gasket is clean and intact for optimal performance.
- **Air Pressure Release Valve:** Always use the manual air pressure release valve when closing the case, especially after elevation changes (e.g., flying).
- **Transporting the Case:** Use the large front handle or optional shoulder straps for carrying. Ensure straps are securely attached before use.
- **Labeling:** Use the waterproof removable label to clearly identify the contents of your case. Avoid covering essential safety markings.

Instructions for Installation and Usage

- **Setting Up the Case:**
 1. Open the case by releasing the locking latches.
 2. Ensure the internal cutouts are configured according to your storage needs.
 3. Place your items securely within the case, utilizing optional internal brackets or mounting rings as necessary.
 4. Close the lid and engage all locking latches to secure the case.
- **Transporting the Case:**
 1. Hold the case using the front handle or attach shoulder straps if preferred.
 2. Ensure that the case is balanced and not overloaded.
 3. When traveling by airplane, check airline regulations regarding case dimensions and weight.
- **Cleaning and Maintenance:**
 1. Clean the exterior of the case with a soft, damp cloth. Avoid using harsh chemicals.
 2. Inspect the Oring gasket regularly for wear and tear. Replace if necessary.
 3. Lubricate the hinges periodically to maintain smooth operation.

Disposal Instructions

- Dispose of the case in accordance with local regulations. Consider recycling if applicable.
- Remove any labels or personal information before disposal.
- Do not incinerate the case as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 3005 Orange Explorer Cases, please refer to the contact information provided by the manufacturer.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 3005 Orange Explorer Cases. Thank you for prioritizing safety!
