

# Saiga - 9mm Luger Magazine 30 rounds, black

[Magazines](#) > [Rifle Magazines](#)

The magazine is designed for 30 rounds, but it can be reduced to 20 or 10. For this purpose it is enough to reduce the case under the ledge intended for installation of the back cover.

In addition to the rough surface, the outer walls are covered with a tread pattern, which does not lead to slipping in the hands. The magazine is not difficult to disassemble. Sunk in the release button of the back cover, you can easily remove it and get access for cleaning and maintenance.

# PUFGUN SAIGA 9MM LUGER MAGAZINE 30 ROUNDS Safety Instructions

## Introduction

Thank you for choosing the PUGUN Saiga 9mm Luger Magazine. This safety instruction guide is designed to ensure your safe and effective use of the magazine. Please read and follow all instructions carefully to maximize safety and performance.

## General Safety Guidelines

- Always handle magazines and ammunition with care.
- Ensure the magazine is empty before disassembling or cleaning.
- Keep the magazine and ammunition out of reach of children and unauthorized users.
- Use only compatible ammunition as specified by the manufacturer.
- Regularly inspect the magazine for any signs of wear or damage.
- Store the magazine in a cool, dry place to prevent corrosion.

## Specific Safety Precautions for Use

- Do not exceed the magazine's capacity limit; it is designed for 30 rounds but can be adjusted to 20 or 10 rounds.
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid using excessive force when loading or unloading the magazine to prevent damage.
- Be cautious of the magazine's edges, as they may be sharp.
- Always follow the firearm manufacturer's safety guidelines when using the magazine.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine into the well until you hear a click, indicating it is securely in place.

### 2. Loading:

- To load the magazine, press down on the follower and insert the rounds one at a time.
- Ensure the rounds are facing the correct direction as indicated by the magazine design.
- Do not exceed the designated capacity of 30 rounds unless adjusted.

### 3. Disassembly:

- To disassemble the magazine for cleaning, locate the release button on the back cover.
- Press the release button to remove the back cover gently.
- Clean the interior and exterior of the magazine with a soft cloth and appropriate cleaning solution.
- Reassemble the magazine by aligning the back cover and pressing it back into place until it clicks.

### 4. Usage:

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- After use, remove the magazine from the firearm and store it safely.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, contact the manufacturer for guidance on disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the PUFGUN Saiga 9mm Luger Magazine, please refer to the manufacturer's contact points provided with your product packaging.

By following these safety instructions, you can help ensure a safe experience with the PUFGUN Saiga 9mm Luger Magazine. Thank you for your attention to safety and responsible usage.
