

# ESS Chassis System Kit Remington 700 SA LH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Remington 700

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

### General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms with care and follow safe handling practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay updated on any recalls or safety notices related to this product through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use the MDT ESS Chassis System Kit only as intended for the Remington 700 model.
- Ensure that the firearm is unloaded before installation or adjustment of the chassis system.
- When adjusting the buttstock, ensure that all adjustments are securely locked in place to prevent accidental movement during use.
- Be cautious of the magazine well when inserting or removing the magazine to avoid pinching fingers.
- Always use the barricade stop to avoid applying pressure on the magazine during use.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

#### 2. Installation Steps:

- Remove the existing stock from your Remington 700 by unscrewing it from the action.
- Align the MDT ESS chassis with the action of the firearm.
- Secure the chassis to the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the adjustable buttstock to the rear of the chassis and lock it in place.
- Install the AR pistol grip by following the manufacturer's instructions.

#### 3. Adjustments:

- Adjust the buttstock length of pull using the thumb wheels to fit your preference.
- Adjust the cheek rest height for optimal sight alignment.
- Ensure all adjustments are secure before use.

#### 4. Usage:

- Load the magazine and insert it into the magazine well, ensuring it clicks into place.

- Use the ambidextrous magazine latch for easy access.
- Always maintain a proper shooting stance and follow safe firearm handling practices.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste disposal regulations.
- Consider recycling components where possible, especially metal parts.
- Ensure any hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the product packaging or visit the manufacturer's website for additional support and resources. Remember to always prioritize safety and compliance with local laws and regulations.

Thank you for your attention to these safety guidelines, and enjoy the enhanced performance of your Remington 700 with the MDT ESS Chassis System Kit!
