

ESS Chassis System Kit Savage models 10 - 116 - MDT ESS Chassis System Kit Savage SA models 10, 11, 12, 16 LH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage models 10, 11, 12, and 16. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read all instructions carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with local laws and regulations.
- Always handle the chassis system and your firearm with care.
- Keep the chassis system and all tools out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Do not modify the chassis system in any way that could compromise its safety or performance.
- If you experience any issues during installation or use, cease operation immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Use only compatible magazines as specified in the product description.
- When adjusting the buttstock and cheek rest, ensure that all adjustments are securely locked in place before use.
- Avoid placing excessive pressure on the magazine while the firearm is in use to prevent malfunction.
- Be cautious when operating the ambidextrous magazine latch; ensure your fingers are clear of the action.
- Always wear appropriate eye and ear protection when using the firearm equipped with this chassis system.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing stock from your Savage model following the manufacturer's instructions.
- Align the MDT ESS Chassis System with the action of your firearm.
- Securely attach the chassis system using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Install the magazine according to the instructions provided with the chassis system.

2. Adjustments:

- To adjust the buttstock, locate the adjustment mechanism and turn the thumb wheels to achieve the desired length of pull.
- For cheek rest height adjustment, similarly use the thumb wheels to set the height to your preference.
- Ensure that all adjustments are locked in place before using the firearm.

3. Usage:

- Always check that the magazine is properly seated in the magazine well before firing.
- Utilize the barricade stop to stabilize the firearm when shooting from a rest.
- After use, ensure the firearm is cleaned and maintained according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations for electronic waste and metal recycling.
- If the chassis system is damaged beyond repair, do not attempt to use it; instead, dispose of it safely.

Contact Information for Further Support

For questions or concerns regarding the MDT ESS Chassis System Kit, please consult the product packaging or the manufacturer's website for contact information. It is important to have a direct line of communication for safety inquiries and support.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are our top priorities. Always prioritize safety and responsible use.
