

ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 457 22LR, 17 HMR RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

Safety Instruction Guide for MDT ACC Chassis System Kit CZ 455, 457

Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your CZ 455 and 457 rifles. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the rifle is unloaded before installation or maintenance.
- Keep the chassis system and all firearms out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of damage or wear.
- Follow all local laws and regulations regarding firearms and accessories.
- Be aware of your surroundings when using your firearm to ensure the safety of others.

Specific Safety Precautions for Use

- **Weight Management:** The chassis system allows for weight adjustments. Ensure weights are securely attached to prevent them from falling off during use.
- **Compatibility:** Use only AICS style magazines that are compatible with this chassis system. Using incompatible magazines may lead to malfunctions.
- **Grip and Control:** Use the MDT Elite Grip for better control. Ensure your grip is secure before firing.
- **Installation of Accessories:** When installing accessories onto the ARCA/RRS dovetail, ensure the retention screw is tightened to prevent accessories from detaching during use.
- **Adjustable Stock:** The MDT XTN buttstock interface allows for adjustments. Make sure the stock is properly secured after adjustments.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the MDT ACC Chassis System Kit from the packaging. Check for all included components, including weights and the MDT Elite Grip.
2. **Weight Adjustment:**
 - Decide on the desired weight and balance for your rifle.
 - Add or remove weights from the buttstock, interior forend, or exterior forend as needed.
 - Ensure all weights are securely fastened.
3. **Installing the Chassis:**
 - Ensure your rifle is unloaded.
 - Follow the manufacturer's instructions for attaching the chassis to your rifle action.
 - Securely fasten all screws and components.
4. **Installing Accessories:**
 - Attach any desired accessories to the ARCA/RRS dovetail.
 - Tighten the retention screw to ensure accessories remain secure.
5. **Final Check:**
 - Inspect the entire setup for any loose components or misalignments.
 - Conduct a function check to ensure everything operates smoothly before use.

Disposal Instructions

- Dispose of the MDT ACC Chassis System Kit in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.

- Consider recycling materials where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT ACC Chassis System Kit, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Always prioritize safety and responsible firearm handling.
