

# ACC Chassis System Kit Remington 700 - MDT ACC Chassis System Remington 700 LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. Its original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.
- Remington 700 LA requires MDT 3.850" magazines.

# MDT ACC Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Remington 700. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and respect, following all safety protocols.
- Keep the product away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Do not modify the chassis in any way that could compromise its safety or performance.
- Always use appropriate protective gear when handling firearms.

## Specific Safety Precautions for Use

- **Weight Management:** The chassis allows for weight adjustments. Ensure that any added weights are securely attached to avoid accidents during use.
- **Compatibility:** Confirm that your action, barrel, and accessories are compatible with the MDT ACC Chassis System to prevent malfunctions.
- **Installation of Accessories:** When installing accessories onto the ARCA/RRS dovetail, ensure that the retention screw is tightened to prevent them from falling off during use.
- **Magazine Compatibility:** Use only AICS style magazines with this chassis. Ensure that you are using the correct MDT 3.850" magazines for the Remington 700 LA.
- **Proper Handling:** Always treat the chassis as if it is loaded. Keep your finger off the trigger until ready to shoot.

## Instructions for Installation and Usage

### 1. Unpacking the Chassis:

- Carefully remove the chassis from the packaging.
- Inspect all components for any signs of damage.

### 2. Weight Adjustment:

- Determine your desired weight and balance point.
- Add weights to the buttstock, interior forend, or exterior forend as needed.
- Securely fasten all weights to prevent movement during use.

### 3. Installing the Action:

- Align the action with the chassis and ensure it fits snugly.
- Follow the manufacturer's instructions for securing the action in place.

### 4. Attaching Accessories:

- Use the ARCA/RRS dovetail for attaching accessories.
- Tighten the retention screw to ensure accessories remain secure during use.

### 5. Final Checks:

- Before use, doublecheck all connections and attachments.
- Ensure that the rifle is unloaded and pointed in a safe direction.

## **Disposal Instructions**

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis System, please consult the manufacturer's customer service or refer to their official website for additional support and resources. Always ensure that you have the latest safety updates and product information.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System. Thank you for prioritizing safety and responsible usage.
