

LSS-RF Gen 2 Chassis System Ruger American 22LR, 17HMR - MDT Chassis - LSS-RF System - Gen2 - Ruger American - 22LR - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels. Iron sights can be used with this chassis, stock with a cheek riser is recommended when using a scope.

MDT LSSRF Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Ruger American rifle. This guide provides essential safety instructions to ensure the safe installation and use of the chassis system. Please read this guide carefully before proceeding.

General Safety Guidelines

- Ensure that the product is suitable for your specific rifle model (Ruger American 22LR, 17HMR).
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Inspect the chassis system for any damage or defects before use.
- Use only compatible accessories and components as specified in this guide.

Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before attaching or detaching the chassis system.
- Do not use the chassis system if it shows signs of wear or damage.
- When using a scope, it is recommended to use a stock with a cheek riser for proper alignment and comfort.
- Ensure that the MLoc compatible forend is securely attached and does not obstruct the barrel.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a safe shooting area.

Instructions for Installation and Usage

1. Preparation

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and components for installation.

2. Installation

- Remove the existing stock from your Ruger American rifle.
- Align the chassis system with the action of the rifle.
- Securely attach the chassis system using the provided hardware, ensuring that all screws are tightened to the manufacturer's specifications.
- Attach the forend and ensure it is securely fastened.
- If using a pistol grip and buttstock, attach them according to the manufacturer's instructions.

3. Usage

- Before shooting, doublecheck that the rifle is securely mounted in the chassis system.
- Make any necessary adjustments to the stock and grip for comfort and proper shooting stance.
- Regularly check the tightness of all screws and components before each use.

Disposal Instructions

- When disposing of the chassis system or any components, follow local regulations for the disposal of aluminum and other materials.

- Do not dispose of the chassis system in regular household waste. Instead, take it to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSRF Gen 2 Chassis System, please reach out to the manufacturer or your point of purchase for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSSRF Gen 2 Chassis System. Always prioritize safety and responsible handling of your firearm. Thank you for choosing MDT.
