

LSS-RF Gen 2 Chassis System Ruger American 22LR, 17HMR - MDT Chassis - LSS-RF System - Gen2 - Ruger American - 22LR - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels. Iron sights can be used with this chassis, stock with a cheek riser is recommended when using a scope.

MDT LSSRF Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Ruger American 22LR or 17HMR rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and follow these instructions carefully to maximize your safety and the performance of your chassis system.

General Safety Guidelines

- Always treat your rifle and chassis system as if they are loaded, even if you believe they are not.
- Keep the chassis system out of reach of children and unauthorized users.
- Ensure that you are familiar with local laws and regulations regarding firearms and their accessories.
- Inspect the chassis system before each use to ensure it is in good condition and free from damage.
- Use only compatible accessories, such as grips and stocks, that meet the specifications outlined in this guide.
- Never modify the chassis system or any of its components in a way that could compromise safety.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Store the chassis system and your rifle in a secure location when not in use.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or removing the chassis system.
- When using the chassis system with a scope, it is recommended to use a stock with a cheek riser for proper alignment.
- Be cautious when using iron sights; ensure they are properly aligned and secured.
- Do not exceed the recommended barrel size of 1 inch for the MLoc compatible forend.
- Use caution when handling the chassis system, as sharp edges may be present.
- Ensure that the pistol grip and buttstock are securely attached before use.
- Always follow the manufacturer's instructions for any additional components used with the chassis system.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and safe to handle.
- Remove the factory stock and any other components as per the manufacturer's instructions.
- Align the MDT LSSRF Gen 2 Chassis with the rifle's action and secure it using the provided hardware.
- Attach the pistol grip and buttstock according to the manufacturer's specifications.
- Check all connections to ensure they are tight and secure before proceeding.

2. Usage:

- Once installed, familiarize yourself with the handling of the chassis system.
- Ensure that the rifle is properly balanced and comfortable to hold.
- Practice safe handling and shooting techniques at all times.
- Regularly inspect the chassis system for any signs of wear or damage.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- If the chassis system is damaged or no longer functional, do not attempt to repair it. Instead, take it to a certified disposal facility that handles firearms accessories.
- Always ensure that any disposed components are rendered unusable to prevent unauthorized use.

Contact Information for Further Support

For safety inquiries, product support, or to report unsafe conditions, please contact the manufacturer directly through their official website or customer service line. Ensure you have your product details at hand for efficient assistance.

Thank you for prioritizing safety while using the MDT LSSRF Gen 2 Chassis System. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
