

# LSS-RF Gen 2 Chassis System Savage A22 RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels.

# MDT LSSRF Gen 2 Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Savage A22 rifle. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before use to understand the safety precautions and proper installation procedures.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) when handling firearms, including eye protection and hearing protection.
- Keep firearms stored securely and out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Do not modify the chassis system in any way that could compromise its safety or performance.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- The MDT LSSRF Gen 2 Chassis System is designed for use with .22LR and .17 HMR rifles only. Do not use with other calibers.
- Ensure that the rifle is unloaded before installing or removing the chassis system.
- Use only factory magazines that are compatible with the Savage A22 rifle.
- When using the chassis system, ensure that the forend is securely attached and that the barrel does not exceed 1 inch in diameter.
- Avoid using the chassis system in wet or extreme weather conditions, as this may affect performance and safety.
- Always follow local laws and regulations regarding firearm usage and storage.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure the rifle is unloaded and placed on a stable surface.
- Gather necessary tools: a wrench for securing the stock and grip.

#### 2. Remove the Existing Stock

- Detach the existing stock from the rifle by removing the screws or bolts that secure it.

#### 3. Attach the MDT LSSRF Gen 2 Chassis

- Align the chassis system with the receiver of the rifle.
- Secure the chassis using the provided screws or bolts. Ensure they are tightened properly.

#### 4. Install Pistol Grip and Buttstock

- Choose an appropriate AR pistol grip without beavertail and an AR stock with a carbine buffer tube and castle nut.
- Attach the pistol grip to the chassis.

- Secure the buttstock to the buffer tube, ensuring it is locked in place.

## 5. Final Checks

- Inspect all connections to ensure they are secure.
- Confirm that the chassis system is properly aligned and functioning.

## Usage

- Always check the rifle's condition before each use.
- Load the rifle with the appropriate factory magazine.
- Follow standard firearm handling procedures while using the rifle.
- After use, ensure the rifle is unloaded and store it safely.

## Disposal Instructions

- Dispose of the chassis system responsibly and in accordance with local regulations.
- If the chassis system is damaged or no longer usable, contact local waste management services for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's website or customer service resources. Always ensure that you have the latest information regarding safety recalls and product updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSSRF Gen 2 Chassis System. Thank you for your attention to safety and responsible firearm use.
