

LSS-RF Gen 2 Chassis System Savage A22 RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels.

MDT LSSRF Gen 2 Chassis System Savage A22 Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Savage A22 rifle. This guide provides important safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe and effective operation.

General Safety Guidelines

- Always treat your firearm with respect and handle it as if it is loaded.
- Ensure that you are familiar with the operation of your rifle before using it with the chassis system.
- Store the chassis system and the rifle in a secure location, out of reach of children and unauthorized users.
- Inspect the chassis system and rifle regularly for any signs of damage or wear.
- Use only factory magazines and compatible components as specified in this guide.
- Follow all local laws and regulations regarding firearms and their accessories.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.

Specific Safety Precautions for Use

- Ensure that the rifle is pointed in a safe direction at all times.
- Never place your finger on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that there is a safe backstop for your shots.
- Do not use the chassis system or rifle while under the influence of drugs or alcohol.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure that the rifle is unloaded and the safety is engaged.
2. Remove the existing stock from the Savage A22 rifle.
3. Align the MDT LSSRF Gen 2 Chassis System with the rifle's receiver.
4. Secure the chassis system using the provided screws and tools, ensuring a tight fit.
5. Install the desired pistol grip and buttstock (sold separately) according to the manufacturer's instructions.

Usage

- Load the factory magazine with the appropriate ammunition for your Savage A22.
- Insert the magazine into the chassis system until it clicks into place.
- Adjust the buttstock and pistol grip for a comfortable shooting position.
- Ensure that all components are secure before firing the rifle.
- After use, clean the chassis system and rifle according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the chassis system becomes damaged beyond repair, dispose of it in a manner that prevents unauthorized use.
- Follow local laws for the disposal of firearms and firearm accessories.

Contact Information for Further Support

For safety inquiries or further support regarding the MDT LSSRF Gen 2 Chassis System, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Your safety is our priority.
