

# LSS Gen 2 Chassis System Howa 1500 SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. Howa 1500 SA must use MDT polymer magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Also fits Weatherby Vanguard Short Action.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Howa 1500 rifle. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care.
- Keep the chassis system out of reach of children and unauthorized users.
- Inspect the chassis regularly for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety notices via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the rifle is unloaded before attaching or detaching the chassis.
- Use only MDT polymer magazines designed for the Howa 1500 SA.
- Do not exceed the manufacturer's recommended weight limit for the chassis.
- Always follow safety protocols when using firearms, including wearing appropriate safety gear.
- Avoid using the chassis in environments where it may be exposed to extreme temperatures or moisture.
- Be cautious when using a folding stock adapter; ensure it is securely locked in place before use.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure you have the necessary tools and a clean workspace.
2. **Remove the Original Stock:** Carefully detach the original stock from the Howa 1500 rifle.
3. **Install the Chassis:**
  - Align the rifle action with the chassis.
  - Secure the action using the provided screws, ensuring a snug fit.
4. **Attach the Buttstock:** Install the AR carbinestyle buttstock and buffer tube as per the manufacturer's instructions.
5. **Install the Pistol Grip:** Attach the pistol grip using the included hardware.
6. **Folding Stock Adapter:** If using a folding stock adapter, ensure it is properly installed and locked.

### Usage Instructions

- Always ensure the rifle is pointed in a safe direction when handling.
- Before firing, doublecheck that the magazine is securely in place.
- Practice proper shooting stance and grip to maintain control of the rifle.
- After use, clean the chassis and rifle according to the manufacturer's recommendations.

### Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Recycle components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer or refer to the product documentation. Keep this guide for future reference.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT LSS Gen 2 Chassis System!
