# MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Remington 700. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand all the information before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep this product and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for product recalls and safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Do not exceed the manufacturer's specifications for compatible components.
- Use only AICStyle detachable magazines as specified.
- Ensure that the castle nut and pistol grip are securely attached before use.
- Avoid using the chassis system under conditions that may compromise safety, such as adverse weather or unstable environments.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components, including the chassis system, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Ensure that your workspace is clean and free of obstructions.

### 2. Installation

- Begin by ensuring that your Remington 700 is completely unloaded.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Attach the MDT LSSXL Gen 2 chassis system to the action of the rifle, ensuring it is securely fastened.
- Install the buffer tube according to the specifications provided with the buttstock.
- Attach the AR carbinestyle buttstock to the buffer tube, ensuring it is locked in place.
- Secure the castle nut and attach the pistol grip, ensuring all components are tightly fastened.

### 3. Usage

- Before using the firearm, doublecheck that all components are securely attached.
- Load the firearm using only compatible AICStyle detachable magazines.
- Conduct a function check to ensure that the firearm operates correctly with the new chassis system.
- Use the firearm in a safe and responsible manner, following all applicable laws and regulations.

## **Disposal Instructions**

- Dispose of the product responsibly, following local regulations for the disposal of firearms and firearm components.
- If the product is damaged beyond repair, consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or customer service for assistance. Ensure that you have the product details ready when seeking support.

By following these safety instructions, you help ensure not only your safety but also the safety of those around you. Thank you for your attention and commitment to safe firearm practices.
