

LSS-XL Gen 2 Carbine Stock Chassis System Howa 1500 SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-XL Gen 2 Chassis System has a longer forend than standard LSS, plus many features from the ESS system. This one uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Howa Short Action requires MDT Polymer or Poly-Metal magazines. Also fits Weatherby Vanguard Short Action.

MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Howa 1500 Short Action rifle. This guide provides important safety instructions and guidelines to ensure the safe use and enjoyment of your product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm securely and out of reach of children.
- Regularly inspect the chassis system for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the chassis system is compatible with your specific rifle model before installation.
- Use only MDT Polymer or PolyMetal magazines with the Howa Short Action.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not modify the chassis system or any of its components without consulting a qualified gunsmith.
- Be cautious of the weight and balance of your firearm after installation, as this may affect handling.
- If you experience any malfunctions, cease use immediately and consult a qualified technician.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the MDT LSSXL Gen 2 Chassis System, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Ensure that you are in a safe and controlled environment for installation.

2. Installation Steps

- Remove the original stock from your Howa 1500 Short Action rifle.
- Carefully attach the MDT LSSXL Gen 2 Chassis System to the action of the rifle following the manufacturer's guidelines.
- Secure the chassis system using the appropriate screws and tools.
- Attach the AR carbinestyle buttstock and buffer tube according to the manufacturer's instructions.
- Install the castle nut and secure the pistol grip.
- Doublecheck all connections and ensure everything is tightly secured before use.

3. Usage Guidelines

- Familiarize yourself with the new balance and handling of your rifle after installation.
- Always perform a function check before using the firearm to ensure proper operation.
- Practice good shooting habits and maintain focus while handling your firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the chassis system becomes damaged or is no longer usable, consult local waste management guidelines for proper disposal.
- Do not dispose of the chassis system in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For safety inquiries and further assistance, please refer to the manufacturer's website or contact your local dealer.

By following these safety instructions, you are helping to ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Thank you for prioritizing safety and responsible firearm use.
