MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Lithgow 102. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms with care and respect, treating every firearm as if it is loaded.
- Keep the chassis system away from children and unauthorized users.
- Do not modify the chassis system in any way that could compromise its safety or functionality.
- Regularly inspect the chassis system for signs of wear, damage, or malfunction before use.
- Follow all manufacturer instructions and recommendations for installation and usage.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the area is clear of any obstructions or individuals before discharging the firearm.
- Be aware of your surroundings and ensure a safe backstop is present when shooting.
- Do not exceed the recommended weight limit for the chassis system.
- Ensure that the buttstock and buffer tube are properly secured before use.
- Use only AICStype detachable magazines that are compatible with your chassis system.
- Avoid using the chassis system in wet or damp conditions to prevent corrosion.

Instructions for Installation and Usage

Installation

1. Gather all necessary tools and components, including the chassis system, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
2. Ensure that the firearm is unloaded and pointed in a safe direction.
3. Remove the existing stock from the firearm according to the manufacturer's instructions.
4. Attach the MDT LSSXL Gen 2 chassis to the firearm by aligning it with the receiver and securing it with the provided screws.
5. Install the buffer tube by threading it into the rear of the chassis system and securing it with the castle nut.
6. Attach the AR carbinestyle buttstock to the buffer tube, ensuring it is properly locked in place.
7. Install the pistol grip by following the manufacturer's instructions for your specific grip model.

Usage

- Before using the firearm, perform a safety check to ensure it is unloaded.
- Adjust the buttstock to a comfortable length of pull for optimal shooting position.
- Load the compatible AICStype detachable magazine with appropriate ammunition.
- Ensure that the firearm is pointed in a safe direction at all times when loading and unloading.
- Follow all standard firearm safety practices during usage.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations for metal recycling or waste disposal.
- Ensure that all components are disposed of safely to prevent harm to individuals or the environment.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or contact their customer support.

Always prioritize safety and responsible handling when using your MDT LSSXL Gen 2 Carbine Stock Chassis System. Thank you for your attention to these important safety guidelines.
