MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Lithgow 102. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always follow the manufacturer's instructions for assembly and use.
- Ensure that you are familiar with the operation of your firearm before installing the chassis system.
- Store firearms and accessories securely and out of reach of children.
- Regularly inspect the chassis system for wear or damage.
- Use only compatible parts and accessories as specified by the manufacturer.
- Follow local laws and regulations regarding firearm modifications and usage.
- If you experience any issues with the product, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before any installation or maintenance.
- Do not use the chassis system in a way that could cause it to become damaged or malfunction.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- If you are inexperienced, seek guidance from a qualified firearms instructor.

Instructions for Installation and Usage

1. Preparation

- Ensure that you have all necessary tools and components, including the AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Clear a safe workspace to avoid losing parts.

2. Installation Steps

- Unload the firearm and ensure it is pointed in a safe direction.
- Remove the existing stock from your Lithgow 102.
- Attach the MDT LSSXL Gen 2 chassis system to the receiver according to the manufacturer's instructions.
- Install the AR carbinestyle buttstock and buffer tube as per the specifications.
- Secure the castle nut and attach the pistol grip.
- Ensure that all components are tightened according to the manufacturer's torque specifications.

3. Usage

- Familiarize yourself with the new chassis system and ensure all controls are functioning correctly.
- Regularly check the tightness of all components and ensure there are no signs of wear or damage.
- Practice safe handling and operation of your firearm at all times.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the chassis system becomes damaged beyond repair, dispose of it in a manner that complies with local waste management regulations.
- Do not dispose of the chassis system in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product.

Thank you for prioritizing safety and responsible firearm usage. Enjoy your MDT LSSXL Gen 2 Carbine Stock Chassis System!
