

# LSS-XL Gen 2 Fixed Stock Chassis System Remington 700 SA LH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-XL Gen 2 Chassis System has a longer forend than standard LSS, plus many features from the ESS system. This chassis uses AR rifle-style fixed buttstocks and buffer tubes. Pistol grip also needed. Uses AICS -type detachable magazines. This is for the left-handed short action.

# MDT LSSXL Gen 2 Fixed Stock Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Remington 700. This guide provides important safety information and instructions to ensure safe and effective use of the chassis system. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow all standard safety practices.
- Keep the chassis system away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Store the chassis system in a secure location when not in use.
- Be aware of your surroundings and ensure a safe environment when using the product.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction or injury.
- Using incompatible components may compromise safety.
- Failure to secure the firearm properly in the chassis may result in accidents.

- **Instructions for Avoiding Hazards:**

- Always follow the manufacturer's installation instructions.
- Use only compatible AR riflestyle fixed buttstocks and buffer tubes.
- Ensure the pistol grip is securely attached before use.
- Check that the firearm is unloaded before installation.
- Do not modify the chassis system in any way that could affect its performance or safety.

- **Age or Audience Specific Warnings:**

- This product is intended for adult users only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700.
- Align the chassis system with the action of the firearm.
- Secure the chassis using the provided screws and tools.
- Attach the AR riflestyle fixed buttstock and buffer tube according to the manufacturer's instructions.
- Install the pistol grip, ensuring it is tightly secured.

### 2. Usage:

- Always check that the firearm is secure in the chassis before use.

- Use AICStyle detachable magazines as specified.
- Maintain a proper shooting stance and ensure a safe backdrop when firing.
- Regularly clean and maintain the chassis system to ensure optimal performance.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local regulations.
- When the chassis system reaches the end of its life, dispose of it as per local electronic waste disposal guidelines.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSXL Gen 2 Fixed Stock Chassis System, please refer to the manufacturer's contact information provided with the product.

By following these guidelines and instructions, you can ensure the safe use of your MDT LSSXL Gen 2 Fixed Stock Chassis System. Stay safe and enjoy your experience!
