# MDT LSSXL Gen 2 Fixed Stock Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Savage rifle. This guide provides essential safety instructions and usage guidelines to ensure the safe operation and maintenance of your product. Please read this manual carefully before use.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children.
- Use appropriate protective gear, such as ear and eye protection, when shooting.
- Be aware of your surroundings and ensure that no people or animals are in the line of fire.
- Regularly inspect your chassis system for any signs of wear or damage before use.
- Never modify the chassis system or any components without consulting a qualified gunsmith.

## Specific Safety Precautions for Use

When using the MDT LSSXL Gen 2 Chassis System, please observe the following precautions:

- Ensure that the chassis system is compatible with your specific Savage rifle model (10, 12, 16, 11).
- Always use AICStype detachable magazines as specified.
- Ensure that the pistol grip is securely attached before use.
- Check that the fixed buttstock and buffer tube are properly installed and secure.
- Do not exceed the manufacturer's specifications for ammunition and load.
- Avoid using the chassis system in adverse weather conditions that may affect the performance of your firearm.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the MDT LSSXL Gen 2 Chassis System:

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Savage rifle.
- Align the action of the rifle with the chassis system.
- Secure the action to the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the fixed buttstock to the buffer tube and secure it in place.
- Install the pistol grip according to the manufacturer's instructions.
- Confirm that all components are securely attached before proceeding.

### 2. Usage:

- Load the AICStype detachable magazine with appropriate ammunition.
- Insert the magazine into the chassis system until it clicks into place.
- Ensure that the safety is engaged before loading the firearm.

- Once ready to shoot, disengage the safety and aim at your target.
- After use, clean and maintain the chassis system as per the manufacturer's guidelines.

## Disposal Instructions

At the end of the product's life cycle, please dispose of the MDT LSSXL Gen 2 Chassis System responsibly:

- Check local regulations for the disposal of aluminum and firearm components.
- Do not dispose of the chassis system in household waste.
- Consider recycling the aluminum components at a designated recycling facility.

## Contact Information for Further Support

For any inquiries or concerns regarding the MDT LSSXL Gen 2 Chassis System, please contact your local dealer or the manufacturer directly. Ensure that you have the product model and any relevant details ready for assistance.

## Conclusion

Your safety is our priority. By following these guidelines and instructions, you can enjoy the benefits of the MDT LSSXL Gen 2 Fixed Stock Chassis System while ensuring a safe shooting experience. Thank you for your attention to these important safety measures.
