MDT LSSXL Gen 2 Fixed Stock Chassis System

Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Tikka T3 or T3x rifle. This guide provides essential safety instructions to ensure the safe use and maintenance of your chassis system. Please read and understand these instructions before using the product.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure that the product is installed correctly according to the instructions provided.
- Regularly inspect the chassis system for any signs of wear or damage.
- Use only compatible components and accessories with the MDT LSSXL chassis system.
- Store the chassis system in a secure location, away from children and unauthorized users.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Use the chassis system only with firearms that are compatible as specified in the product description.
- Avoid modifying the chassis system in any way that is not recommended by the manufacturer.
- Always use the proper ammunition type as specified for your firearm.
- When using the chassis system, maintain a safe distance from others to prevent accidental injury.
- Wear appropriate personal protective equipment (PPE) such as shooting glasses and ear protection when using the firearm.

Instructions for Installation and Usage

1. Installation

- Ensure your workspace is clean and free of distractions.
- Verify that you have all necessary tools for installation.
- Remove the original stock from your Tikka T3 or T3x rifle.
- Attach the MDT LSSXL chassis system to the rifle by following these steps:
 - Align the chassis with the receiver.
 - Securely fasten all screws and bolts according to the manufacturer's specifications.
- Install the ARstyle fixed buttstock and buffer tube as per the instructions provided with those components.
- Attach the pistol grip to the chassis system.

2. Usage

- Once installed, ensure that the chassis system is securely attached before using the rifle.
- Familiarize yourself with the features and controls of the chassis system.
- Practice safe firearm handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the chassis system and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling programs in your area that accept metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSXL Gen 2 Fixed Stock Chassis System, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Note: This guide is intended to provide essential safety information and should not be considered a substitute for professional training or instruction on firearm handling and safety. Always seek guidance from certified professionals when necessary.
