

# XRS Complete Chassis System Remington - MDT Chassis - XRS - Remington 700 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

XRS is not just a chassis, it is a complete stock with nothing else to buy, except AICS -type magazine(s) for your action and caliber. No AR parts needed. A more traditional stock design, but still adjustable with included spacers and grip panels. Drop-in, no bedding needed.

# Safety Instruction Guide for MDT XRS Complete Chassis System

## Introduction

Thank you for choosing the MDT XRS Complete Chassis System for your Remington 700 rifle. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your product. Please read this guide carefully to maximize your safety and the performance of the chassis system.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care.
- Ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Keep the chassis system and all associated components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only AICStype magazines specified for your action and caliber.
- Ensure that all components are properly secured before use.
- Do not modify the chassis system or use it in a manner not intended by the manufacturer.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any issues with the chassis system, cease use immediately and consult a qualified gunsmith or contact the manufacturer.

## Instructions for Installation and Usage

### 1. Unpacking the Chassis System

- Carefully remove the chassis system from its packaging.
- Inspect all components for damage or missing parts.

### 2. Installation

- Ensure your Remington 700 rifle is unloaded.
- Remove the existing stock from your rifle.
- Align the action of the rifle with the chassis system and secure it using the provided screws.
- Adjust the spacers and grip panels to achieve a comfortable fit.

### 3. Usage

- Load the AICStype magazine with appropriate ammunition for your caliber.
- Insert the magazine into the chassis system and ensure it is securely locked in place.
- Always check that the rifle is pointed in a safe direction before loading or firing.
- Follow standard firearm safety practices while using the rifle equipped with the chassis system.

### 4. Maintenance

- Regularly clean the chassis system to prevent dirt and debris buildup.

- Inspect the screws and components periodically to ensure they remain tight and secure.

## **Disposal Instructions**

- Dispose of the chassis system and any related components in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- Contact local waste management facilities for information on proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

- For any questions or concerns regarding the MDT XRS Complete Chassis System, please reach out to your local distributor or visit the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
