# MDT Skeleton Carbine Stock Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Skeleton Carbine Stock, Lite. This lightweight and adjustable aluminum buttstock is designed for performance and utility. Please read this safety instruction guide carefully to ensure safe and proper use of the product. It is important to follow all guidelines to minimize risks and enhance your experience.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the buttstock before each use for any signs of wear or damage.
- Ensure that all components are securely attached before using the carbine.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the MDT Skeleton Carbine Stock only with compatible firearms.
- Ensure that the stock is properly adjusted to fit your shoulder length before use.
- Do not exceed the recommended weight limit for attachments on the MLoc slot.
- Always use the two QD sling swivel sockets to secure your firearm properly.
- Avoid using the product in extreme weather conditions that could affect performance.
- Regularly clean the buttstock to prevent buildup that could affect its function.

## Instructions for Installation and Usage

### 1. Installation of the MDT Skeleton Carbine Stock:

- Remove the existing buttstock from your firearm, if applicable.
- Align the MDT Skeleton Carbine Stock with the AR15 Carbine interface.
- Securely attach the stock using the provided hardware.
- Ensure that the stock is locked in place and does not move.

### 2. Adjusting Length of Pull (LOP):

- Locate the LOP spacers included with the product.
- Add or remove spacers to achieve the desired length of pull.
- Ensure that the adjustment mechanism is securely locked after modifications.

### 3. Using the MLoc Slot:

- Identify the MLoc slot located on the bottom of the stock.
- Attach compatible accessories using the MLoc system, ensuring a secure fit.
- Do not overload the slot with excessive weight.

### 4. Using the QD Sling Swivel Sockets:

- Attach your sling to one of the QD sling swivel sockets.
- Ensure that the sling is properly secured and can support the weight of the firearm.

## **5. Safety Checks Before Use:**

- Conduct a final inspection to ensure all components are secure.
- Test the adjustments to confirm they are set to your preference.

## **Disposal Instructions**

- Dispose of the MDT Skeleton Carbine Stock and its components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials where possible, especially aluminum components.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please reach out to the designated contact point in your region. Ensure you have the product details available for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your MDT Skeleton Carbine Stock!
