MDT Elite Fixed Rifle Stock Safety Instructions

Introduction

Thank you for choosing the MDT Elite Fixed Rifle Stock for ACC/ESS Chassis, XTN interface. This guide provides important safety information and instructions to ensure the safe use and maintenance of your rifle stock. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure that your rifle stock is installed correctly before use.
- Do not exceed the manufacturer's specifications for weight and usage.
- Keep the rifle stock clean and free from obstructions.
- Regularly inspect the stock for any signs of wear or damage.
- Store the rifle stock in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- Ensure that the rifle stock is compatible with your rifle and chassis before installation.
- Adjust the cheek riser and buttpad only when the rifle is not in use.
- Use the toolless adjustment feature responsibly to avoid accidental changes during use.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using the rifle stock in adverse weather conditions that may affect performance.
- Be cautious of the rifle's recoil and ensure a proper shooting stance to maintain control.
- If you notice any unusual sounds or movements during use, cease operation immediately and inspect the stock.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Ensure that your rifle stock is compatible with the ACC and ESS chassis using the XTN interface.
2. **Prepare Your Workspace:** Work in a clean, dry area with ample lighting.
3. **Remove Old Stock:** If replacing an existing stock, carefully remove it by following the manufacturer's instructions.
4. **Align the Stock:** Position the MDT Elite Fixed Rifle Stock on the chassis, making sure it fits securely.
5. **Secure the Stock:** Follow the manufacturer's instructions for securing the stock to the chassis.
6. **Adjustments:** Make toolless adjustments to the cheek riser and buttpad to suit your shooting position.

Usage

1. **Check Adjustments:** Before use, ensure that all adjustments are secure and set to your preference.
2. **Shooting Position:** Assume a stable shooting position with the rifle stock properly aligned.
3. **Loading:** Load the rifle according to the manufacturer's instructions, ensuring safety at all times.
4. **Shooting:** Fire the rifle while maintaining a firm grip and proper stance to control recoil.

Disposal Instructions

- Dispose of the MDT Elite Fixed Rifle Stock in accordance with local regulations regarding electronic and plastic waste.
- Do not dispose of the stock in regular household waste.

- Consider recycling options if available.
