# MDT Rifle Stock for ACC/ESS Chassis, XTN Interface Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Rifle Stock for ACC/ESS Chassis, XTN Interface. This product is designed to enhance your shooting experience by providing comfort and performance. However, to ensure your safety and the safety of others, it is crucial to follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always ensure that the rifle is unloaded before making adjustments to the stock.
- Inspect the rifle stock for any damage before each use. Do not use if damaged.
- Ensure that the stock is securely attached to the chassis before use.
- Store the rifle and stock in a safe location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm safety and usage.
- Use the product only for its intended purpose.

## Specific Safety Precautions for Use

### • Adjustment Precautions:

- When adjusting the cheek riser and buttpad, ensure that your fingers are clear of any moving parts to prevent pinching or injury.
- Make adjustments while the rifle is in a stable position to avoid accidents.

### • Rifle Handling:

- Always treat every rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.

### • Environment:

- Use the rifle stock in a safe and controlled environment, free from distractions.
- Avoid using the stock in wet or slippery conditions which could affect grip and stability.

### • Personal Safety:

- Wear appropriate safety gear, such as eye and ear protection, when using the rifle.
- Ensure that you are in good physical condition to handle the rifle safely.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools (if any) for installation.

#### 2. Attaching the Stock:

- Align the MDT Rifle Stock with the chassis (ACC or ESS) at the XTN interface.

- Securely fasten the stock to the chassis according to the manufacturer's instructions.
- Ensure that all screws and fasteners are tightened properly.

### **3. Adjusting the Stock:**

- Adjust the cheek riser to your preferred height using the toolless adjustment feature.
- Adjust the buttpad for length and angle to fit your shooting position.
- Check that all adjustments are secure before use.

## **Usage Instructions**

- Always ensure that the rifle is secured in a stable position before making any adjustments.
- Regularly check the stock for any signs of wear or damage during use.
- Practice safe handling and shooting techniques at all times.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- Do not dispose of the stock in regular household waste.
- Consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the appropriate contact points as outlined in your product packaging or the manufacturer's website. Always ensure you are reaching out to authorized representatives for assistance.

## **Conclusion**

By following this safety instruction guide, you can ensure a safe and enjoyable experience with your MDT Rifle Stock for ACC/ESS Chassis, XTN Interface. Stay informed about safety recalls and updates through the EU's Safety Gate platform, and report any unsafe products or incidents to the relevant authorities. Thank you for your commitment to safety.
