

Rear Bag Rider - MDT Accessories - Rear Bag Rider - M-LOK - Aluminum - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

The Rear Bag Rider offers an end user an additional 5" to interface with a rear bag, or compliment multiple shooting positions. A flat, horizontal surface aids in linear recoil and the rounded profile reduces snagging on bags and gear. Mil-Spec Type III hard-black anodized aluminum. Attaches to M-LOK compatible and legacy buttstocks.

MDT Rear Bag Rider Safety Instruction Guide

Introduction

Thank you for choosing the MDT Rear Bag Rider. This product is designed to enhance your shooting experience by providing a stable platform for rear bags and various shooting positions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding the use of shooting accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for the rear bag.
- Ensure that the rear bag rider is securely attached to the MLOK compatible buttstock before use.
- Avoid using the product in wet or slippery conditions to prevent accidents.
- Be aware of your surroundings and ensure that the shooting area is clear of obstacles and bystanders.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Identify the MLOK compatible area on your buttstock.
- Align the Rear Bag Rider with the MLOK slots.
- Securely attach the Rear Bag Rider using the provided hardware, ensuring it is tightly fastened.
- Doublecheck that the product is firmly in place before proceeding.

2. Usage:

- Position the rear bag on the flat surface of the Rear Bag Rider.
- Adjust your shooting position for optimal stability and comfort.
- Maintain a firm grip on the firearm while using the rear bag for support.
- After use, remove the Rear Bag Rider if not needed for future sessions.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding the disposal of aluminum and other materials.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum components where facilities are available.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT Rear Bag Rider, please refer to the appropriate contact resources available in your region. Ensure that you have the product details ready when seeking assistance.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your

shooting experience with the MDT Rear Bag Rider!
