

# Poly-Metal Magazine 308 Win 10 rounds Black

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The MDT Poly/Metal AICS pattern magazine is constructed with a polymer body fitted to a metal feedlip assembly. This arrangement combines the warmth and light-weight feel of a polymer magazine with the reliability and adjustability of a metal magazine. In addition, the polymer body contains a clear polymer window on each side, allowing the user to confirm whether or not the magazine is fully loaded. Also works with 6 / 6.5 Creedmoor, 6 / 6.5x47 Lapua, 243 Win and 7mm-08. Maximum COL is 2.87". Black.

# MDT PolyMetal Magazine Safety Instruction Guide

## Introduction

Thank you for choosing the MDT PolyMetal Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this manual carefully before using the product to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use. This magazine is designed for 308 Winchester and compatible cartridges.
- Always handle the magazine with care, treating it as if it is loaded, even when it is not.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

## Specific Safety Precautions for Use

### • Loading and Unloading:

- Always point the firearm in a safe direction when loading or unloading the magazine.
- Ensure the firearm is on safe and the action is open when inserting or removing the magazine.

### • Firing:

- Only use ammunition that is compatible with the magazine specifications.
- Do not exceed the magazine's capacity of 10 rounds.

### • Storage:

- Store the magazine in a cool, dry place away from direct sunlight.
- Keep the magazine in a secure location when not in use to prevent unauthorized access.

### • Cleaning:

- Clean the magazine regularly according to the manufacturer's instructions to ensure optimal performance.
- Use only recommended cleaning materials to avoid damaging the magazine.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of your firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Usage:

- To load the magazine, press the follower down and insert rounds one at a time.
- Confirm that each round is seated properly before proceeding to load additional rounds.
- To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.

### 3. Checking Magazine Capacity:

- Use the clear polymer window on each side of the magazine to visually confirm the number of rounds loaded.

## Disposal Instructions

- Dispose of the magazine responsibly in accordance with local regulations.
- If the magazine is damaged or no longer usable, do not throw it in regular waste. Contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the MDT PolyMetal Magazine, please refer to the manufacturer's contact information provided with your product packaging. Ensure that you have the product details ready for efficient assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MDT PolyMetal Magazine. Always prioritize safety and stay informed about best practices in firearm handling and storage.
