

# **Metal Magazine - MDT Magazine - Metal - SA - .308 w/ Binder plate - 5 Round - BLK**

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDT AICS-pattern metal magazines are manufactured from high strength steel, nitride-finished and coated with Cerakote Elite for ultimate durability and performance. The short action magazines are offered for .308 Win and 6.5 Creedmoor family cartridges, and are available in 5-round, 10-round and 12 round capacity. The 308 based magazines are available with or without the front binder plate. Without a binder plate you get a longer COL (2.960" vs 2.870"), but they may require modification to the feed ramp of the receiver. Check if your action would be able to feed 2.960" long cartridges, or have it modified if you want to use magazines without binder plates.

# MDT Metal Magazine Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Metal Magazine. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle firearms and ammunition with care and follow all safety protocols.
- Store the magazine in a safe, dry place away from children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only .308 Winchester or compatible cartridges in this magazine.
- Do not exceed the magazine's 5round capacity to ensure safe operation.
- Avoid using the magazine in firearms that have not been modified to accommodate longer cartridges if the binder plate is removed.
- Always ensure the magazine is securely attached to the firearm before loading or firing.
- Do not attempt to modify the magazine or firearm without professional assistance.
- Keep the magazine away from extreme temperatures, moisture, and corrosive substances.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Gently push the magazine into the magazine well until it clicks into place.

### 2. Loading the Magazine:

- Hold the magazine securely in one hand.
- Insert cartridges into the magazine one at a time, ensuring they are oriented correctly.
- Do not exceed the 5round capacity of the magazine.

### 3. Using the Magazine:

- Confirm that the firearm is in a safe condition before loading.
- Insert the loaded magazine into the firearm as described above.
- Check that the magazine is securely locked in place before proceeding.
- Follow all standard firearm safety protocols while handling.

### 4. Unloading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm by pressing the magazine release button.
- Carefully remove any remaining cartridges from the magazine.

## Disposal Instructions

- Dispose of the magazine according to local regulations.
- Do not dispose of the magazine in regular household waste.
- Contact local waste management services for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact your local distributor. Always ensure that you are following the latest safety guidelines and product information.

This safety instruction guide is designed to help you use the MDT Metal Magazine safely and effectively. Thank you for your attention to these important safety measures.
