

Metal Magazine - MDT Magazine - Metal - SA - .308 w/o Binder plate - 5 Round - BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDT AICS-pattern metal magazines are manufactured from high strength steel, nitride-finished and coated with Cerakote Elite for ultimate durability and performance. The short action magazines are offered for .308 Win and 6.5 Creedmoor family cartridges, and are available in 5-round, 10-round and 12 round capacity. The 308 based magazines are available with or without the front binder plate. Without a binder plate you get a longer COL (2.960" vs 2.870"), but they may require modification to the feed ramp of the receiver. Check if your action would be able to feed 2.960" long cartridges, or have it modified if you want to use magazines without binder plates.

MDT Metal Magazine Safety Instructions

Introduction

Thank you for purchasing the MDT Metal Magazine. This guide provides important safety instructions to ensure the safe use and handling of your magazine. Please read this document carefully before use.

General Safety Guidelines

- Always ensure the magazine is empty before handling or cleaning.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of damage or wear.
- Use only compatible cartridges as specified: .308 Winchester and 6.5 Creedmoor family cartridges.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- **Modification Warning:** If using the magazine without a binder plate, ensure your firearm's feed ramp can accommodate longer cartridges (2.960"). Consult a qualified gunsmith if unsure.
- **Handling:** Always treat the magazine as if it is loaded. Never point it at anything you do not intend to shoot.
- **Loading:** Load cartridges into the magazine in accordance with the manufacturer's instructions. Do not exceed the specified capacity of 5 rounds.
- **Cleaning:** Clean the magazine with a soft cloth and mild solvent. Avoid using harsh chemicals that may damage the finish.
- **Transporting:** When transporting the magazine, ensure it is stored securely and that all local laws regarding transportation of firearms and ammunition are followed.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the action is open.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

2. Usage:

- To load the magazine, press down the follower and insert cartridges one at a time.
- Ensure the cartridges are seated properly and do not exceed the maximum capacity.
- To remove the magazine, press the magazine release button and pull the magazine out of the well.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations for metal recycling.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it safely to prevent accidental use.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact their customer support.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of your MDT Metal Magazine. Always prioritize safety and consult professionals when in doubt. Thank you for choosing MDT.
