

# **Metal Magazine - MDT Magazine - Metal - SA - .308 w/o Binder plate - 10 Round - BLK**

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDT AICS-pattern metal magazines are manufactured from high strength steel, nitride-finished and coated with Cerakote Elite for ultimate durability and performance. The short action magazines are offered for .308 Win and 6.5 Creedmoor family cartridges, and are available in 5-round, 10-round and 12 round capacity. The 308 based magazines are available with or without the front binder plate. Without a binder plate you get a longer COL (2.960" vs 2.870"), but they may require modification to the feed ramp of the receiver. Check if your action would be able to feed 2.960" long cartridges, or have it modified if you want to use magazines without binder plates.

# MDT Metal Magazine Safety Instructions

## Introduction

Thank you for choosing the MDT Metal Magazine. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the magazine.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always handle firearms and ammunition with care, following standard safety protocols.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine before each use for any signs of damage or wear.
- Do not use the magazine if it is damaged or if you notice any irregularities.
- Store the magazine in a cool, dry place away from direct sunlight.
- Follow local regulations and laws regarding the use and storage of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use the MDT Metal Magazine with firearms that are compatible with AICSpattern magazines.
- Ensure that the magazine is properly seated in the firearm before attempting to load or fire.
- Avoid using the magazine with cartridges that exceed the specified overall length (COL) of 2.960 inches.
- If using the magazine without a binder plate, verify that your firearm's feed ramp can accommodate longer cartridges.
- Do not attempt to modify the magazine or the firearm without professional assistance.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks securely.

### 2. Loading the Magazine:

- Hold the magazine in one hand and use the other hand to load cartridges.
- Insert cartridges into the magazine, ensuring they are oriented correctly.
- Do not exceed the specified capacity of 10 rounds.

### 3. Using the Magazine:

- Once loaded, insert the magazine into the firearm as described above.
- Check that the magazine is securely locked in place before firing.
- Follow all standard firearm safety practices while shooting.

### 4. Unloading the Magazine:

- To remove the magazine, press the magazine release button on the firearm.
- Carefully pull the magazine out of the magazine well.
- If the magazine is loaded, point the firearm in a safe direction and remove the cartridges.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding metal waste.
- If the magazine is damaged beyond repair, contact local waste management authorities for guidance on disposal.

## Contact Information for Further Support

For any inquiries regarding the safety or use of the MDT Metal Magazine, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Metal Magazine. Always prioritize safety and remain informed about best practices in firearm handling.
