MDT Metal Magazine Safety Instruction Guide

Introduction

Thank you for choosing the MDT Metal Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this manual carefully before using the product to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always handle the magazine with care and ensure it is empty before inspection or maintenance.
- Store the magazine in a secure location, away from children and unauthorized users.
- Be aware of your surroundings when using the magazine, and ensure that you are in a safe environment.
- Regularly check for any signs of wear or damage to the magazine, and discontinue use if any issues are found.
- Follow all local laws and regulations regarding the use of magazines and ammunition.

Specific Safety Precautions for Use

- Only use ammunition that is compatible with the MDT Metal Magazine. This magazine is designed for the following calibers: 3006, .300WM, .338LM, and 300 PRC.
- Ensure that the magazine is properly seated in the firearm before loading ammunition.
- Do not attempt to modify the magazine or its components, as this may lead to malfunctions or unsafe conditions.
- If you experience any feeding issues, inspect the feedlips for proper alignment and adjust if necessary.
- Maintain a safe distance from others when loading or unloading the magazine.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Gently push the magazine into the well until it clicks into place.
- Check that the magazine is securely attached before proceeding.

2. Usage

- Load the magazine with the appropriate ammunition, ensuring that the cartridges are seated correctly.
- Insert the loaded magazine into the firearm as described in the installation section.
- Follow the manufacturer's instructions for operating the firearm safely and effectively.

3. Maintenance

- Regularly clean the magazine to prevent dirt and debris from affecting performance.
- Inspect the magazine for damage or wear, particularly the feedlips and locking mechanism.
- Store the magazine in a dry and secure location when not in use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, follow your local guidelines for the disposal of metal products.

- Ensure that the magazine is completely empty before disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Metal Magazine, please reach out to the designated EU contact point listed on the product packaging or insert. Your safety is our priority, and we are here to assist you.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Metal Magazine. Thank you for your attention to safety!
