

Metal Magazine - MDT Magazine - Metal - LA 3.56 - 300WM - 5 Round - BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDT Metal Magazines - Long Action, are manufactured for 30-06 and 300WM calibers with a capacity of 5 rounds based on magnum rounds. The .300WM can also be used for 7mm, 30.06 and 6.5x55 calibers. In some cases the feed-lips may need to be bent. Our chassis systems for Tikka T3/T3x and Savage Axis have been manufactured to accept the custom 3.560 length magazine. You must use these magazines in T3 and Axis Long Actions!

MDT Metal Magazine Safety Instructions

Introduction

Thank you for purchasing the MDT Metal Magazine designed for Long Action firearms. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle firearms with care and follow all safety protocols.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any recalls or safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only the specified calibers: 3006 and 300WM. Ensure that the magazine is loaded with the correct ammunition.
- Do not exceed the magazine's capacity of 5 rounds.
- If necessary, adjust the feedlips carefully to avoid damage. Consult a professional if unsure.
- Always ensure the firearm is unloaded before inserting or removing the magazine.
- Avoid using the magazine in extreme temperatures or conditions that may affect its performance.
- Do not attempt to modify or disassemble the magazine beyond the manufacturer's recommendations.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is pointed in a safe direction and is completely unloaded.
- Align the magazine with the magazine well of your firearm.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine with the feed lips facing upwards.
- Insert the rounds one at a time into the magazine, ensuring they are seated correctly.
- Do not exceed the 5round capacity.

3. Using the Magazine:

- Insert the loaded magazine into your firearm as per the installation instructions.
- Ensure the magazine is securely locked in place before firing.
- After use, remove the magazine and store it in a safe location.

4. Unloading the Magazine:

- Remove the magazine from the firearm while pointing it in a safe direction.
- Press the magazine release button to detach the magazine.
- Carefully remove any remaining rounds from the magazine.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations for metal products.
- If the magazine is damaged or no longer usable, consider recycling it at a designated facility.
- Do not throw the magazine in regular trash; ensure it is disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the MDT Metal Magazine, please reach out to your local distributor or manufacturer. Ensure that you have the product details ready for a prompt response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT Metal Magazine. Thank you for prioritizing safety.
