

CKYE-POD Gen2 Bipods - MDT CKYE-POD Gen2 Bipod, Arca LH - Standard

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

If you're a hunter or a match shooter looking for a game-changing piece of gear, look no further than the MDT Bipod. Quality craftsmanship and fast, simple, one-handed adjustments make this bipod the ultimate platform for stability and versatility. This bipod is a true work of art, featuring 3 locking positions from front to back - stowed, angled and down. MDT CKYE-POD is in a league of its own with quick single-handed adjustable height, allowing you to achieve from 4.5" to 15.5", paired with 170 degrees of cant, 360 degrees of pan capability (sling swivel stud version does not pan), and an integrated barricade stop. Mix and match the independent leg heights and angles to create the perfect shooting position, every time.

MDT CKYEPOD Gen2 Bipod Safety Instructions

Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod, a highquality product designed for hunters and match shooters. This guide provides essential safety instructions to ensure safe and effective use of your bipod. Please read and follow these instructions carefully to maximize your safety and the performance of your equipment.

General Safety Guidelines

- Always inspect the bipod before use for any signs of damage or wear.
- Ensure that the bipod is securely attached to your firearm before use.
- Use the bipod only for its intended purpose as specified in the product description.
- Keep the bipod away from children and individuals who may not understand its use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check the EU Safety Gate platform for recall updates on this product.

Specific Safety Precautions for Use

- Ensure that the bipod is fully extended and locked into position before shooting.
- Do not exceed the height adjustment range of 4.5" to 15.5".
- Avoid using the bipod on unstable or uneven surfaces.
- Always practice safe firearm handling when using the bipod.
- Do not use the bipod while under the influence of alcohol or drugs.
- Ensure that the cant and pan adjustments are secure before use to prevent accidental movement.
- Be mindful of the integrated barricade stop and ensure it is positioned correctly.

Instructions for Installation and Usage

Installation

1. Attach the Bipod:

- Locate the sling swivel stud on your firearm.
- Align the bipod's attachment point with the sling swivel stud.
- Securely fasten the bipod to the firearm, ensuring it is tightly fitted.

2. Adjust the Height:

- To adjust the height, pull the adjustment lever while holding the bipod.
- Extend or retract the legs to achieve the desired height between 4.5" and 15.5".
- Release the lever to lock the legs in place.

3. Set the Position:

- Choose the desired locking position: stowed, angled, or down.
- Ensure that the legs are locked in the chosen position before use.

Usage

• Shooting Position:

- Position the bipod on a stable surface or shooting rest.

- Adjust the legs independently to create a stable shooting platform.
- Utilize the 170 degrees of cant and 360 degrees of pan capability to find the best shooting angle.

- **PostUse:**

- After use, retract the legs and stow the bipod securely.
- Clean the bipod as necessary to maintain its condition.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations regarding metal waste.
- If the bipod is damaged beyond repair, ensure that it is disposed of in a way that prevents accidental use by unauthorized individuals.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your MDT CKYEPOD Gen2 Bipod, please reach out to the appropriate support channels. Ensure you have the product details available for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT CKYEPOD Gen2 Bipod. Thank you for prioritizing safety and responsible use.
