

# Picatinny Scope Base 20 MOA Black - MDT Accessories - Rails - Picatinny Scope Base - 20 MOA - Savage - SA - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

# MDT Picatinny Scope Base Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Picatinny Scope Base 20 MOA Black. This guide provides important safety instructions and information to ensure the safe use and installation of your scope base. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Always follow the manufacturer's instructions for mounting and use.
- Inspect the scope base for any signs of damage before installation.
- Do not exceed the recommended weight limits for mounted optics.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope base.
- Use appropriate tools for installation to avoid damaging the scope base or the firearm.
- Avoid overtightening screws, which can lead to material fatigue or failure.
- Regularly check the tightness of the scope base after installation, especially after use.
- Be cautious of sharp edges on the scope base during handling and installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your workspace is clean and free of distractions.

### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing scope bases or mounts from the receiver.
- Align the MDT Picatinny Scope Base with the mounting holes on the receiver.
- Insert screws into the mounting holes and handtighten them.
- Use a torque wrench to tighten the screws to the manufacturer's specified torque settings. Do not exceed the recommended torque.

### 3. Usage:

- Once installed, mount your optics securely onto the Picatinny rail.
- Adjust the scope as needed for your shooting requirements.
- Always doublecheck the mounting before use to ensure stability.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Picatinny Scope Base, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure the safe and effective use of your MDT Picatinny Scope Base. Thank you for your attention to safety.
