

# Picatinny Scope Base 20 MOA Black - MDT Accessories - Rails - Picatinny Scope Base - 20 MOA - Savage - LA - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

# MDT Picatinny Scope Base Safety Instructions

## Introduction

Thank you for choosing the MDT Picatinny Scope Base. This product is designed to enhance your shooting experience by providing a secure and stable platform for mounting your optics. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always check the compatibility of the scope base with your firearm model before installation.
- Inspect the scope base for any signs of damage or wear before each use.
- Always handle firearms safely and responsibly, following all local regulations and guidelines.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only compatible optics as specified for the MDT Picatinny Scope Base.
- Do not exceed the recommended weight limit for mounted optics.
- Ensure all mounting screws are tightened to the manufacturer's specifications to prevent loosening during use.
- Avoid using the scope base in extreme environmental conditions that may affect its performance.
- If you notice any unusual movement or instability in your optics while in use, discontinue use immediately and inspect the installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Align the MDT Picatinny Scope Base with the mounting holes on your firearm's receiver.
- Carefully insert the mounting screws through the base and into the receiver.
- Use a torque wrench to tighten the screws to the manufacturer's specifications, ensuring a secure fit.
- Check that the base is mounted flush against the receiver and that there are no gaps.

### 3. Mounting Your Optics:

- Follow the manufacturer's instructions for your specific optic when mounting it onto the Picatinny Scope Base.
- Ensure that the optic is securely fastened and properly aligned.

### 4. Final Inspection:

- After installation, doublecheck all screws and connections for tightness.
- Conduct a test to ensure that the optics are stable and securely mounted before taking the firearm to the range.

## **Disposal Instructions**

- Dispose of the MDT Picatinny Scope Base in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling the aluminum material where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided with your purchase.

Thank you for prioritizing safety while using the MDT Picatinny Scope Base. Enjoy your shooting experience!
