

# Picatinny Scope Base 20 MOA Black - MDT Accessories - Rails - Picatinny Scope Base - 20 MOA - Howa 1500 - SA - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

# MDT Picatinny Scope Base 20 MOA Black Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Picatinny Scope Base 20 MOA Black. This guide provides important safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your specific rifle model (Howa 1500, Short Action).
- Always inspect the scope base for any damage before installation.
- Follow all local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Do not exceed the specified weight limits for mounted optics.
- Regularly check the tightness of the mounting screws to ensure secure installation.

## Specific Safety Precautions for Use

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure the firearm is unloaded before installing or adjusting the scope base.
- Use appropriate tools for installation to avoid damaging the scope base or your firearm.
- Do not modify the scope base or your firearm in any way that may compromise safety.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: screwdriver, torque wrench (if applicable), and any other required tools.
- Ensure you are working in a clean, welllit area.

### 2. Installation Steps

- **Step 1:** Ensure your firearm is unloaded and pointed in a safe direction.
- **Step 2:** Remove any existing scope bases or rings from your rifle.
- **Step 3:** Align the MDT Picatinny Scope Base with the mounting holes on your rifle's receiver.
- **Step 4:** Secure the scope base using the provided screws. Tighten them to the manufacturer's recommended torque specification, if available.
- **Step 5:** Ensure the base is flush against the receiver and properly seated.
- **Step 6:** Once installed, proceed to mount your optics according to the manufacturer's instructions.

### 3. Usage Tips

- Regularly check the scope base and mounts for any signs of wear or loosening.
- Adjust the elevation and windage settings of your scope as needed for optimal accuracy.
- Clean the scope base and surrounding areas to prevent debris buildup.

## Disposal Instructions

- When disposing of the product, follow local regulations for the disposal of metal and aluminum products.
- Do not dispose of the product in regular household waste.

- Consider recycling the product if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Picatinny Scope Base 20 MOA Black, please refer to the manufacturer's website or customer service for assistance. Ensure you have your product details available for more efficient support.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MDT Picatinny Scope Base!
