

# Picatinny Scope Base 20 MOA Black - MDT Accessories - Rails - Picatinny Scope Base - 20 MOA - Howa 1500 - LA - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

# MDT Picatinny Scope Base 20 MOA Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Picatinny Scope Base 20 MOA. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure a safe and effective experience with your product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Always ensure that it is used according to the instructions provided.
- **Enhanced Recalls:** Stay informed about any potential recalls that may affect your product. Regularly check for updates.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware that information about unsafe products can be found on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that you have the necessary tools and skills for installation. If unsure, seek professional assistance.
- **Inspection:** Before each use, inspect the scope base for any signs of damage or wear. Do not use if damaged.
- **Compatibility:** Ensure that the scope base is compatible with your firearm model (Hawa 1500 LA).
- **Proper Mounting:** Ensure the base is mounted securely to prevent any movement during use.
- **Recoil Management:** Be aware of the recoil of your firearm and ensure that the scope base is properly secured to handle it.
- **Usage Environment:** Use the product in a safe environment, free from distractions and hazards.

## Instructions for Installation and Usage

### 1. Gather Tools:

- Screwdriver
- Torque wrench (if applicable)
- Level (to ensure proper alignment)

### 2. Prepare the Firearm:

- Ensure that your firearm is unloaded.
- Remove any existing scope mounts or bases.

### 3. Align the Base:

- Position the MDT Picatinny Scope Base on the rifle receiver.
- Align the base with the ejection port to ensure proper fit.

#### 4. **Secure the Base:**

- Using the screws provided, secure the base to the receiver.
- Follow the manufacturer's recommended torque specifications to avoid overtightening.

#### 5. **Mount the Scope:**

- Place your scope onto the Picatinny rail.
- Adjust the scope for eye relief and level it.
- Secure the scope according to the manufacturer's instructions.

#### 6. **Final Inspection:**

- Doublecheck all screws and mounts to ensure everything is secure.
- Test the setup by gently shaking the firearm to ensure stability.

## **Disposal Instructions**

- **Recycling:** When disposing of the product, consider recycling any aluminum components where facilities exist.
- **Waste Management:** Follow local regulations for the disposal of nonrecyclable materials. Do not dispose of in regular trash.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Picatinny Scope Base 20 MOA, please refer to the contact information provided by your retailer or manufacturer. It is important to reach out for assistance if you are unsure about any aspect of the product.

By following these guidelines, you can ensure the safe and effective use of your MDT Picatinny Scope Base. Thank you for your attention to safety and proper usage.
