

Picatinny Scope Base 20 MOA Black - MDT Accessories - Rails - Picatinny Scope Base - 20 MOA - Tikka T3 - SA - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

MDT Picatinny Scope Base 20 MOA Black Safety Instruction Guide

Introduction

Thank you for choosing the MDT Picatinny Scope Base 20 MOA Black. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of the product. Please read this document carefully to ensure proper handling and to maximize your safety while using this product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the scope base for any damage or wear before installation.
- Follow all installation instructions carefully to avoid improper fitting.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible optics and accessories with the MDT Scope Base.
- Ensure that the scope base is securely mounted to prevent any movement during use.
- Do not exceed the recommended torque specifications when fastening the scope base.
- Be aware of the potential for recoil and ensure a firm grip on the firearm when in use.
- Always wear appropriate eye protection when using firearms equipped with the scope base.
- If you notice any unusual movement or damage during use, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools and ensure you have a clean workspace.
- Locate the mounting points on your Tikka T3 or T3x rifle.
- Align the MDT Picatinny Scope Base with the mounting points.
- Secure the base using the provided screws, ensuring they are tightened to the recommended torque specifications.
- Check the alignment of the base to ensure it is flush with the receiver.

2. Usage Instructions:

- Once installed, attach your scope according to the manufacturer's instructions.
- Adjust the scope as needed for optimal sighting.
- Perform a function check to ensure that everything is securely fastened and functioning properly before heading to the range.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- If the product is damaged or no longer in use, consider recycling it to minimize environmental impact.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries or additional information regarding the MDT Picatinny Scope Base 20 MOA Black, please refer to the manufacturer's website or contact their customer support service.

By following these guidelines and instructions, you can ensure a safe and effective experience with your MDT Picatinny Scope Base. Thank you for your attention to safety.
