

Picatinny Scope Base 20 MOA Black - MDT Accessories - Rails - Picatinny Scope Base - 20 MOA - CZ 455-Black - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

MDT Picatinny Scope Base 20 MOA Safety Instruction Guide

Introduction

Thank you for choosing the MDT Picatinny Scope Base 20 MOA. This guide provides essential safety instructions and information to ensure the safe use and installation of your scope base. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Inspect the product regularly for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about any product recalls or safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the scope base only with compatible optics and firearms.
- Ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the recommended torque specifications when securing the scope base.
- Be cautious of sharp edges during installation; use protective gloves if necessary.
- Avoid using the product in extreme weather conditions that may affect performance.
- Regularly check the tightness of the scope base after use, especially after transportation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Align the MDT Picatinny Scope Base with the mounting holes on your firearm.
- Carefully place the base onto the receiver, ensuring a flush fit.
- Insert the screws provided with the scope base into the mounting holes.
- Using a torque wrench, tighten the screws to the manufacturer's recommended torque specifications. Do not overtighten.
- Install your optics onto the scope base according to the manufacturer's instructions.

3. Usage:

- After installation, conduct a thorough check to ensure everything is securely mounted.
- Familiarize yourself with the adjustments and settings of your optics before use.
- Always handle your firearm responsibly and in accordance with local laws and regulations.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- Do not dispose of the product in household waste. Check for recycling options in your area.

- Ensure that any packaging materials are also disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the MDT Picatinny Scope Base 20 MOA, please refer to the manufacturer's website or contact your local dealer for assistance. Ensure that you have the product details ready for a more efficient response.

By following these instructions and guidelines, you can ensure a safe and effective experience with your MDT Picatinny Scope Base. Thank you for your attention to safety.
