

## M-Lok Picatinny Rail - MDT Accessories - Rails - M-LOK Picatinny Rail - 1.5" (3 slots) - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

# MDT MLoc Picatinny Rail Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the MDT MLoc Picatinny Rail. This product is designed to enhance the functionality of your bolt action rifle by allowing the attachment of various accessories. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the MDT MLoc Picatinny Rail is compatible with your chassis system before installation.
- Always handle your rifle and accessories with care to prevent accidents.
- Regularly inspect the rail and its attachments for signs of wear or damage.
- Store the rail in a safe place, out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Before using the rail, make sure it is securely attached to the MLOK compatible system.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the rail.
- Avoid using the rail in extreme weather conditions or environments that may compromise its integrity.
- Ensure that all accessories mounted on the rail are properly secured to prevent them from becoming detached during use.
- Use caution when handling firearms and ensure that they are always pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Installation

- Ensure you have the necessary hardware included with the MDT MLoc Picatinny Rail.
- Align the rail with the MLOK slots on your chassis system.
- Insert the provided screws through the rail and into the MLOK slots.
- Tighten the screws securely using the appropriate tools, ensuring the rail is firmly attached.

### 2. Usage

- Attach your desired accessories to the Picatinny rail, ensuring they are compatible and securely fastened.
- Check the positioning markers on the rail to ensure proper alignment of accessories.
- Regularly check the tightness of all screws and attachments before and during use.

## Disposal Instructions

- Dispose of the MDT MLoc Picatinny Rail in accordance with local regulations for aluminum products.
- If the product is damaged or no longer in use, consider recycling it at a designated facility that accepts aluminum materials.

## Contact Information for Further Support

For any questions or concerns regarding the MDT MLoc Picatinny Rail, please contact the manufacturer directly. Ensure you have the product details available for reference.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your MDT MLok Picatinny Rail.
