

## M-Lok Picatinny Rail - MDT Accessories - Rails - M-LOK Picatinny Rail - 2.5" (5 slots) - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

# MDT MLoc Picatinny Rail Safety Instruction Guide

## Introduction

Thank you for choosing the MDT MLoc Picatinny Rail. This product is designed to enhance your bolt action rifle by allowing the installation of various accessories. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions outlined in this manual.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Regularly inspect the rail and accessories for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the rail is securely mounted to your rifle before use.
- Do not exceed the weight limit specified for accessories mounted on the rail.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Use only compatible accessories designed for MLOK attachment systems.
- Wear appropriate safety gear, such as eye protection, when handling firearms and accessories.

## Instructions for Installation and Usage

### Installation

#### 1. Gather Required Tools:

- Screwdriver
- Allen wrench (if required)
- Compatible MLOK hardware

#### 2. Prepare the Rifle:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove any existing accessories that may interfere with the installation.

#### 3. Position the Rail:

- Align the MLOK Picatinny Rail with the desired mounting location on the chassis.
- Ensure that the integral QD flush cup sling mount is accessible if applicable.

#### 4. Secure the Rail:

- Use the provided hardware to attach the rail to the MLOK compatible system.
- Tighten securely, but do not overtighten to avoid damage to the rail or chassis.

#### 5. Final Inspection:

- Check that the rail is firmly attached and does not move.
- Ensure that all accessories can be mounted securely.

## **Usage**

- When mounting accessories, ensure they are compatible with the Picatinny rail system.
- Regularly check the tightness of accessories to prevent loosening during use.
- Follow all safety guidelines for the use of firearms and mounted accessories.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information included in the product packaging or on the official website.

Thank you for your attention to these safety guidelines. Enjoy your MDT MLok Picatinny Rail responsibly and safely.
