

# M-Lok Picatinny Rail - MDT Accessories - Rails - M-LOK Picatinny Rail - 3.15" (7 slots) - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

# Safety Instruction Guide for MDT MLoc Picatinny Rail

## Introduction

Thank you for choosing the MDT MLoc Picatinny Rail. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage. Do not use if damaged.
- Always follow local laws and regulations regarding firearm accessories.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the rail.
- Use only compatible accessories designed for MLOK attachment systems.
- Avoid placing excessive weight on the rail, as this may compromise its integrity.
- Do not modify the rail or its components, as this could lead to failure and potential injury.
- Use appropriate protective gear, such as safety glasses, when installing or using the rail.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools and hardware included with the rail.
- Ensure that the firearm is unloaded and in a safe position.
- Align the MLOK Picatinny Rail with the compatible slots on your chassis system.
- Secure the rail using the provided mounting hardware, ensuring a snug fit.
- Check that the rail is firmly attached before proceeding to use.

### 2. Usage:

- Attach compatible accessories to the rail as needed.
- Ensure that all accessories are securely fastened before use.
- Regularly check the tightness of the rail and accessories during use to ensure safety.
- If you encounter any issues or if the rail becomes loose, stop using it immediately and inspect for damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- Ensure that all components are disposed of responsibly to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or further support regarding the MDT MLoc Picatinny Rail, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines, you can ensure the safe and effective use of your MDT MLoc Picatinny Rail. Thank you for your attention to safety.
