

M-Lok Picatinny Rail 5"

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

MDT MLoc Picatinny Rail Safety Instruction Guide

Introduction

Thank you for choosing the MDT MLoc Picatinny Rail. This product is designed to enhance your shooting experience by providing a secure platform for mounting various accessories on your bolt action rifle. To ensure safe and effective use of the rail, please read and follow the safety instructions and guidelines outlined in this document.

General Safety Guidelines

- Always ensure that the MDT MLoc Picatinny Rail is securely mounted before use.
- Inspect the rail and all accessories for damage or wear before each use.
- Use only compatible accessories with the MDT MLoc Picatinny Rail to avoid accidents or malfunctions.
- Ensure that the installation is performed in a safe environment, free from distractions.
- Keep the rail and accessories out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to relevant authorities immediately.
- Stay updated on product recalls and safety information through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rail is installed correctly according to the provided instructions to prevent it from loosening during use.
- Do not exceed the weight limit specified by the manufacturer for mounted accessories.
- Avoid placing any sharp or protruding objects on the rail that could cause injury.
- When using the rifle with mounted accessories, maintain proper handling and shooting practices to ensure safety.
- Always wear appropriate safety gear, including eye protection, when using firearms equipped with the MDT MLoc Picatinny Rail.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and hardware included with the MDT MLoc Picatinny Rail.
- Ensure you have a clean and welllit workspace.

2. Installation:

- Identify the MLoc compatible slots on your chassis system.
- Align the MDT MLoc Picatinny Rail with the desired slot.
- Insert the mounting hardware through the rail and into the MLoc slots.
- Tighten the hardware securely using the appropriate tool, ensuring the rail is firmly attached.

3. Usage:

- Once installed, attach your desired accessories to the rail.
- Ensure that all accessories are securely fastened and check for stability before use.
- Regularly inspect the rail and accessories for any signs of wear or damage.

Disposal Instructions

- When the MDT MLoc Picatinny Rail has reached the end of its life or is no longer in use, dispose of it responsibly.

- Follow local regulations for the disposal of aluminum materials.
- Recycle the aluminum components whenever possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult the manufacturer or your local retailer for support. Ensure that you have the product details at hand for efficient assistance.

Thank you for prioritizing safety and compliance while using the MDT MLok Picatinny Rail. Your adherence to these guidelines ensures a safe and enjoyable experience.
