Safety Instruction Guide for MDT Buffer Tube

Introduction

Thank you for choosing the MDT Buffer Tube. This product is designed to enhance your modern sporting rifle experience by allowing compatibility with AR15 Rifle Length (A2 Fixed) or Carbine buffer tubes. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the buffer tube for any damage before installation or use.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible stocks with the MDT Buffer Tube.
- Do not exceed the recommended weight limit for the buffer tube.
- Avoid using the buffer tube for any purpose other than its intended use.
- Ensure that all connections are secure before use.
- Do not modify or alter the buffer tube in any way.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools for installation, including a wrench and screwdriver.
- Ensure that you have a compatible stock ready for attachment.

2. Installation:

- Start by removing any existing buffer tube from your rifle.
- Align the MDT Buffer Tube with the receiver of your rifle.
- Secure the buffer tube by tightening it clockwise until it is snug. Do not overtighten.
- Attach your chosen stock to the buffer tube, ensuring it is locked in place.

3. Usage:

- Before using the rifle, doublecheck that the buffer tube and stock are tightly secured.
- Practice safe handling and storage of your rifle at all times.

4. PostUse Inspection:

- After each use, inspect the buffer tube for any signs of wear or damage.
- If any issues are found, discontinue use and consult a professional.

Disposal Instructions

- Dispose of the MDT Buffer Tube in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling if possible, or consult your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the MDT Buffer Tube, please refer to the manufacturer's contact information, which can be found on the product packaging or the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your MDT Buffer Tube. Thank you for your attention to safety.
