# MDT Buttstock LOP Spacers Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Buttstock LOP Spacers. This product is designed to enhance the length of pull for your MDT Buttstocks, providing comfort and improved ergonomics during use. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the spacers for damage or wear before each use.
- Keep the product out of reach of children to avoid potential hazards.
- Do not modify the spacers in any way, as this may compromise safety.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the spacers are securely attached to the buttstock before use.
- Do not exceed the recommended maximum number of spacers per buttstock.
- Be cautious when adjusting the length of pull to avoid pinching fingers or causing injury.
- Use the spacers only with compatible MDT Buttstocks to ensure safety and performance.
- If you experience any discomfort or instability while using the spacers, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation of Spacers:

- Gather your MDT Buttstock and the spacer kit.
- Identify the attachment points on the buttstock where the spacers will be installed.
- Align the spacer with the attachment points and ensure a snug fit.
- Secure the spacer using the provided hardware, ensuring it is tightly fastened.
- Repeat the process for additional spacers as needed, ensuring not to exceed the recommended maximum.

### 2. Usage:

- Once installed, check that the spacers are firmly attached and that there is no movement.
- Adjust the length of pull by adding or removing spacers as necessary for your comfort.
- Always perform a safety check before using the buttstock with spacers installed.

## Disposal Instructions

- Dispose of the spacers in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- Ensure that any damaged or worn spacers are disposed of safely to prevent accidental misuse.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product concerns, please contact the manufacturer directly

through the provided contact methods available on the product packaging or website.

Thank you for your attention to these safety guidelines. Enjoy your experience with the MDT Buttstock LOP Spacers!
