MDT Castle Nut Safety Instructions

Introduction

Thank you for choosing the MDT Castle Nut. This product is designed to securely attach a Carbine Buffer Tube or Receiver Extension. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible Carbine Buffer Tubes or Receiver Extensions.
- Do not exceed the manufacturer's specified weight limits when using the product.
- Ensure that the Castle Nut is securely tightened before use to prevent accidental detachment.
- Avoid using the product in extreme conditions (e.g., excessive heat, moisture) that may compromise its integrity.
- Wear appropriate safety gear (e.g., gloves, eye protection) during installation and use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure the work area is clean and free from obstructions.

2. Installation Steps:

- Align the Castle Nut with the Carbine Buffer Tube or Receiver Extension.
- Handtighten the Castle Nut onto the Buffer Tube or Receiver Extension.
- Use a wrench to securely tighten the Castle Nut, ensuring it is snug but not overtightened.

3. Usage:

- After installation, perform a thorough check to ensure that the Castle Nut is firmly in place.
- Regularly inspect the Castle Nut during use to ensure it remains secure.

4. PostInstallation:

- Store any unused components in a safe location.
- Dispose of any packaging materials responsibly.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not dispose of the product in household waste. Check for recycling facilities in your area.

Contact Information for Further Support

For any questions or concerns regarding the MDT Castle Nut, please refer to the manufacturer's contact information provided on the packaging or documentation.
