

Elite Scope Rings, 30mm tube diameter - MDT Accessories - Scope Rings - Elite - 30mm - High (1.25in) - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The MDT Elite Scope Rings offer a solid, lightweight mounting system for your optics. Built-in bubble level. MDT Precision Scope Rings are designed and manufactured to STANAG 4694 specification, also known as "NATO spec". This means the scope ring sits tight to the top of the scope base rail, with pressure being applied to the underside of the angled rail surfaces to maintain a solid interface. This design also allows mounting on out-of-spec rails.

MDT Elite Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the MDT Elite Scope Rings. These scope rings are designed to provide a secure and stable mounting solution for your optics, ensuring optimal performance and safety during use. Please read this safety instruction guide carefully to ensure proper installation, usage, and disposal of the product.

General Safety Guidelines

- Always ensure that the scope rings are compatible with your optics and mounting system.
- Inspect the product for any visible damage or defects before use.
- Use the scope rings only for their intended purpose.
- Keep the product out of reach of children and pets.
- Report any unsafe product incidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mounting surface is clean and free from debris before installation to prevent improper fitting.
- **Weight Limit:** Do not exceed the weight limit specified for the scope rings to avoid failure during use.
- **Tightening:** Use appropriate tools to tighten the scope rings securely. Avoid overtightening, which may damage the rings or the rail.
- **Alignment:** Ensure that the scope is properly aligned within the rings to avoid misalignment during shooting.
- **Temperature:** Avoid exposing the scope rings to extreme temperatures, which may affect their integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure the mounting surface is clean and dry.

2. Installation:

- Place the MDT Elite Scope Rings onto the scope base rail.
- Align the rings with the mounting holes on the rail.
- Secure the rings in place using the provided screws.
- Using a torque wrench, tighten the screws to the manufacturer's recommended torque settings. Check the user manual for specific torque values.

3. Mounting the Scope:

- Carefully place your scope into the rings.
- Adjust the scope position for optimal eye relief and alignment.
- Tighten the screws on the scope rings to secure the scope in place, ensuring it is level.

4. Final Check:

- Inspect the installation to ensure everything is secure and properly aligned.
- Perform a function check to ensure the scope is correctly mounted and stable.

Disposal Instructions

- Dispose of the MDT Elite Scope Rings in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material where possible.

Contact Information for Further Support

For more information or assistance regarding the MDT Elite Scope Rings, please refer to the manufacturer's website or customer support resources.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MDT Elite Scope Rings!
