MDT Accessory Ring Cap Picatinny Rail Safety Instruction Guide

Introduction

Thank you for purchasing the MDT Accessory Ring Cap Picatinny Rail. This product is designed to enhance your shooting experience by providing a secure mounting solution for various accessories. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage or wear before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents related to this product to local authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Only use the MDT Accessory Ring Cap Picatinny Rail with compatible scopes and accessories.
- Avoid overtightening screws during installation to prevent damage to the rail or accessories.
- Ensure that all accessories mounted on the rail are securely fastened before use.
- Be aware of your surroundings and handle all equipment safely to prevent accidents.
- If you notice any unusual sounds or movement during use, cease operation immediately and inspect the product.

Instructions for Installation and Usage

Installation Steps

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, such as a screwdriver and any specific tools recommended by the accessory manufacturer.
2. **Prepare the Scope:** Ensure that your scope is clean and free from debris.
3. **Align the Rail:** Position the MDT Accessory Ring Cap Picatinny Rail on the scope ring cap. Make sure it is aligned properly with the cross slots.
4. **Secure the Rail:** Using the appropriate screws, attach the rail to the scope ring cap.
 - Do not overtighten screws; use moderate pressure to secure the rail.
5. **Check Stability:** After installation, check that the rail is securely attached and does not move.

Usage Instructions

- Attach accessories such as bubble levels, data card holders, or laser range finders to the rail.
- Ensure all accessories are compatible with the Picatinny rail system.
- Regularly check the tightness of all attachments during use to ensure safety and stability.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal products.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please contact your local MDT representative or refer to the manufacturer's website for more information.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the MDT Accessory Ring Cap Picatinny Rail responsibly.
